

# TOURNAMENT of w r i t e r s

The Tournament of Writers, now in its 12th year, is a signature literary arts program of Vicksburg Arts that uplifts voices from across our region — whether they're 5 or 95.

More than a writing contest, it's a bridge across generations, where stories spark empathy, connection, and mutual inspiration. This intergenerational exchange creates a uniquely powerful bonding experience — one that strengthens community ties and reminds us of our shared humanity.
