## Meditative Doodling

**Mon, Jan 19, 2 – 3:30 pm, \$20**

Who needs a New Year's resolution? NOBODY! Instead, let's take time to amuse ourselves with colors and lines. Meditative Doodling is a playful activity developed by Monica Harris, aka the Doodling Duchess, that requires no artistic skills and can reduce anxiety, and offer insight to daily struggles.

## Miniature Garden: Haven in a Tin

**Tues, Feb 10, 2 – 3:30 pm, \$20**

If you're fascinated by miniature gardens, you won't want to miss this one! Using natural materials and a hinged aluminum tin, we'll create enchanted gardens filled with mushrooms, moss, bark, and perhaps a gnome or fairy. Artist Monica Harris is your instructor. Bring your imagination!

## Cardmaking Workshop

**Thurs, Feb 26, 2 – 3:30 pm, \$10**

In this workshop, you will make 3 different all-occasion cards with support from expert card maker, Jill Blanchett. Even though no special skills are required, with Jill's quality supplies and guidance, you will become an accomplished card maker!

**REGISTER IN ADVANCE AT [VICKSBURGARTS.ORG](https://vicksburgarts.org)**

**Classes are held at the South County Senior Center located in the Vicksburg United Methodist Church, 217 S Main St, Vicksburg**

## Winter 2026 Arts Schedule

### Intro to Weaving – From A to Z

Thursdays, Mar 3 & 31, 2 - 4 pm, \$55

In this 2-part beginner's workshop, you will learn the basics, from preparing your desktop loom, to designing your piece, selecting colors and fibers and learning various stitches. Choose from one of our designs at the first session or opt to attend a bonus one hour design session prior to the first session

to be scheduled with you after registration. Materials and loom will be provided that you can take home to work on between sessions. Weaving artist Jodie Gerard will be your instructor.

### Paint with Paper: A Creative Collage Workshop

Wed, Mar 11, 1 – 2:30 pm, \$20

Discover the joy of “painting” without a brush! In this hands-on collage class, students will learn how to create expressive landscapes, florals, and still-life pieces using torn and cut paper. Through guided instruction, you’ll explore color, texture and composition to complete artwork that feels painterly. Whether you’re a seasoned artist looking to try something new or a

beginner eager to tap into your creative side, this class offers a fun, approachable way to make vibrant, one-of-a-kind art. Artist Nancy Smith is your instructor.
