

**Board of Park Trustees**  
**Meeting Minutes**  
**May 15, 2024**

The meeting was brought to order by Chairman Everett. Roll call: Everett present, Wildman present, Gonyer present, and Boyer present.

Minutes from previous meeting were approved as read.

Park board discussed going to the big equipment item again on the park grant, Wildman said she would check on the fitness equipment (grant as well), possibly a small shelter house, new slide for park by village hall, etc. Fiscal Officer will get a new quote on the big playground equipment and a couple of slides.

Wildman moved and Gonyer second to adjourn. All yeah, M/C.

Respectfully submitted,

Melissa Repasz  
Fiscal Officer
