

Board of Park Trustees
Meeting Minutes
NOVEMBER 21, 2018

The meeting was brought to order to by Chairman Everett. Roll call: Everett present, Zeigler present, Camden absent, & Brooks present.

Minutes from previous meeting were approved as read.

Village received the Wood County Park District grant for the handicap swing and merry-go-round. Zeigler and Brooks discussed somethings that need to get done with the grant. Zeigler will contact Palmer Brothers Concrete about possibly donating the concrete for the pad to the handicap swing.

Welcome Society is also going to help in the park this spring as well.

Zeigler discussed about a flaming implement (4 burner). This implement uses flames/fire for weeds. Using fire started in the 1930's and it stresses the plant enough to die off. Look more into.

No further business, Brooks moved and Zeigler second to adjourn. All yeah, M/C.

Respectfully submitted,
