

Board of Park Trustees
Meeting Minutes
March 20, 2024

The meeting was brought to order by Chairman Everett. Roll call: Everett present, Wildman present, Gonyer present, and Boyer present.

Minutes from previous meeting were approved as read.

Fiscal Officer reported that the scoreboard for the park grant has been delivered. Have to wait for the ground to dry up before can remove old scoreboard and install new one. The metal has been ordered for the dugout roofs, just waiting for metal to come in and weather to cooperate. Fiscal Officer asked Park Board if they wanted to start looking at ideas for the 2025 park grant.

Park Board discussed some ideas, one was a mini golf course.

Boyer moved and Gonyer second to adjourn. All yeah, M/C.

Respectfully submitted,

Melissa Repasz
Fiscal Officer

Chairman
