

Board of Park Trustees
Meeting Minutes
MAY 15, 2019

The meeting was brought to order to by Chairman Everett. Roll call: Everett present, Zeigler present, Camden present, & Brooks absent.

Minutes from previous meeting were approved as read.

Village Admin. has the propane torch. The equipment for the grant has all come in and needs to be installed to close out the Park District Grant. Park signs for the grant need to be purchased and placed beside the equipment. Park Board discussed with Joe about getting the merry-go-round in, will look at the plans, and get back with Park Board.

Zeigler reported that the Eagle Scout did get approval by the board for the project. The Eagle Scout will work on getting donations, etc. then will get to work with putting the concrete barrier around the big equipment.

No further business, Zeigler moved and Camden second to adjourn. All yeah, M/C.

Respectfully submitted,

Melissa Repasz
Fiscal Officer
