

Board of Park Trustees
Meeting Minutes
July 19, 2023

The meeting was brought to order by Chairman Everett. Roll call: Everett present, Gonyer present, Boyer present, and Wildman present.

Minutes from previous meeting were approved as read.

Park Board was still looking over ideas for the park grant. Talked about a zip line, possible big item for playground by the park, etc. Will probably have an extra meeting or two to get what needs done for the grant due in Oct. 2023.

Boyer moved Gonyer second to adjourn. All yeah, M/C.

Respectfully submitted,

Melissa Repasz
Fiscal Officer
