

**Village of Wayne**  
Regular Council Meeting  
MAY 20<sup>TH</sup>, 2026

The meeting was brought to order by Mayor Craig Everett and the pledge of allegiance was said. Roll call was read: Gross absent, Vandersall absent, Wildman present, Boyer present, Lee present, and Young present. Young moved and Boyer second to approve the minutes as read. All yeah, M/C. Lee moved and Young second to turn all bills over to finance and to pay all those found favorable. All yeah, M/C.

Mayor reported that the storm sewer (drainage repair) repair on Hutchins St. is completed and solicitor is working on easement with New Hope Church.

Fire Chief, Tom Bentley, passed out a report to council on current runs, etc. Fire Chief spoke with council on the roof bids for the fire station. Fire Chief would like to go with Win Construction. Council approves and reminds that the roof cost will be split 50/50. Fiscal Officer will call Win Construction to let them know and to let them know about the car show so will have to work around that.

Fiscal Officer reported the ship date for the new flowmeter is now May 26<sup>th</sup>. Fiscal Officer also reported that Joe reported that the new owner of the house on Park St./Bryant St. is now parking in the building (garage) that is on village property. Fiscal Officer spoke with solicitor and will need to have the police dept. go down. Young moved and Boyer second to approve Street Lighting Assessment Ord. 5-26-763: 2027 for \$19,000. All yeah, M/C.

Mayor spoke about the grass area issue at the main ball diamond/park. Mayor spoke with a couple of landscapers and looks like the roots are not getting down deep enough to latch. The area will need aeriated, etc. D&D Landscaping gave a quote for around \$5,750 for aeration, grass seeding, etc. Mayor can do all of this himself by renting an aerator (would be cheaper). Fiscal Officer will get with our contact for the youth little league to see what the ball schedule is to work around the games, practices, etc.

Young moved and Lee second to approve the Woo County EMS/Fire Mutual Aid contact. All yeah, M/C. Council discussed about some paving. Wildman moved and Lee second to put out a bid to pave (pave, grind, etc.) E. Bryant St. between St Rt 281 and Center St. and pave Park St. All yeah, M/C. Fiscal Officer will post the bid on the Village Facebook page.

No further business, Boyer moved and Wildman second to adjourn. All yeah, M/C.

Respectfully submitted,

Melissa Repasz  
Fiscal Officer

---

Council President
