

Village of Wayne
Regular Council Meeting
SEPTEMBER 17TH, 2025

The meeting was brought to order by Mayor Craig Everett and the pledge of allegiance was said. Roll call was read: Gross present, Vandersall present, Wildman present, Boyer present, Lee present, and Young absent. Lee moved and Vandersall second to approve the minutes as corrected. All yeah, M/C. Boyer moved and Lee second to turn all bills over to finance and to pay all those found favorable. All yeah, M/C.

Fiscal Officer presented an email from Emily Miller about a possible payment plan due to a leak that has not been fixed yet by the landlord. Council had discussion. Vandersall moved and Boyer second for Emily Miller for a payment plan for \$250.00 a month currently until hear back from village solicitor. All yeah, M/C.

Police Chief Todd Mocniak reported ordered two new computers due to Windows upgrade (were not compatible), discussed about cameras possibly on the speed signs or other area the village would like them. For 5 cameras (believe \$400 apiece) monthly cost for wireless would be \$20 a camera. Also, looking into a new wifi hot spot for the police cruiser.

Fiscal Officer reported spoke with solicitor and has a conference call with Larry at Geo Gradel and Brian at Choice One Engineering to work something out on the flow meter. Fiscal Officer is still looking into the 1980 thru 1985 minutes for the corner property of Bryant St. & St. Rt. 281.

No further business, Vandersall moved and Wildmanl second to adjourn. All yeah, M/C.

Respectfully submitted,

Melissa Repasz
Fiscal Officer

Council President
