3. Late payments will incur a fee of 2% per month on the outstanding balance

Force Majeure

- Raven American Tanks shall not be liable for any failure to perform their obligations under this agreement if such failure results from circumstances beyond their reasonable control, including but not limited to acts of God, war, terrorism, pandemic, government restrictions, labor strikes, supply chain disruptions, or severe weather conditions. If a force majeure event occurs, the affected party shall promptly notify the other party and make reasonable efforts to mitigate the impact of the event.

Quality, Safety, & Environmental

1. Raven American Tanks has Quality, Safety, & Environmental management procedures in place for all office & on-site works

Note

1. Raven American Tanks requires an official Purchase Order in order to proceed with these works
 2. Our Insurances and Company Information is available upon request.
 3. Please ensure no other trades enter the tank after the works are completed as this may damage the liner works & void Raven American Tanks warranties. Discuss with Raven American Tanks if other trades need to do work post install.
 4. Variable Prices: if there is to be a variation to the works, the charge for a Supervisor (\$150/hr) and/or a Laborer (\$85/hr) and/ or any additional items such as but not limited to meals, accommodation, car rental etc. will be prior approved with the Client and then invoiced at practical completion.
 5. The estimated delivery time frame is subject to clients final approvals.
