GLCSD Customer,

On November 14, 2022, the GLCSD Board of Directors signed a Resolution adopting the new water and sewer rates.

Pursuant to Senate Bill 323, customers must bring a challenge to new or increased water or sewer rates within 120 days of the effective date or date of final passage, adoption, or approval of the ordinance or resolution adopting the water or sewer rate. It was not on the CSDA publication for Prop 218 detailing what needed to be included in the hearing letter.

Per the November 14, 2022, hearing the new rate increases will begin on December 1, 2022.

Thank you,

GLCSD Board of Directors
