SAINT JOSÉPHINE

A Marketing Company for Social Good

Gabrielle Deculus, Principal

We are changing the world with creative marketing.

Saint Josephine is a full service marketing company offering direct and virtual consulting services to socially engaged businesses around the world. We help our client partners improve health, economics, entertainment, entrepreneurship, and much more in the communities they serve. We love working with companies that have a story to tell and prioritize people through their work.

If you answer the needs of the people, you will always have a job...
