Louise Stack

Dixie Thompson

Reunion Edition

When: September 7-10, 2025

Where: Duluth Minnesota

Venue: Inn at Lake Superior

Known as Minnesota's gateway to the sea, Duluth is located on Superior Harbor—the largest inland freshwater port in the world. Settlers established themselves as fur traders, loggers, fishermen, farmers, and miners. First-time visitors will want to visit the Aerial Lift Bridge and Canal Park—both icons of Duluth. Canal Park stretches along the lakefront, and is peppered with restaurants, cafes, shops, and hotels. To see the city and surrounding areas from above, the Enger Tower at the top of the hill in Enger Park provides panoramic views of Duluth and the Twin Ports area. A forty-mile trip north will bring travelers to Split Rock Lighthouse, which dates back to 1910.

Duluth is a popular Midwest tourist destination. The city is home to the [Great Lakes Aquarium](#), a freshwater aquarium. The [Aerial Lift Bridge](#), next to [Canal Park](#), crosses the [Duluth Ship Canal](#) into the Duluth–Superior harbor. [Minnesota Point](#), known locally as Park Point, is the world's longest freshwater [baymouth bar](#), stretching six miles. The city is also the starting point for road trips along the [North Shore](#) of Lake Superior to [Thunder Bay, Ontario](#).

Average temperatures in September, during our reunion, will be between 50 and 70 degrees. Bring a sweater or jacket.

United, Delta and Sun Country Airlines have regular flights into Duluth International Airport. Duluth International Airport (DLH) is a regional hub for Minneapolis/St. Paul and Chicago airports. If flying into Minneapolis/St. Paul there are shuttles that run to and from Duluth.
