October 2024

Ann Waldman, The Portland GC, Zone XII

Greetings Zone VI Photography Chairs and Judges!

Welcome to the Photography newsletter sharing national and zone VI updates. Please forward to any and all that might be interested :)

I just returned from the fall Photography Committee meeting at GCA HQ in NYC. It was a wonderful first meeting highlighting this year's themes of CONNECTING, COLLABORATING and INSPIRING.

Please spend some time exploring all of the INCREDIBLE resources on the [Photography landing page](#). There is sooo much there, including a gallery of award winning photos, several of which are included here!
