## Important Instruction For Using This Prayer Manual

This is an advanced deliverance manual prepared by 3rd Watch Ministries to be used in group or personal ministry. We do not advise going through these prayers alone or with people who have not been through some generational repentance and deliverance. We recommend that you start with the first manual in the series titled **Steps Toward Abundant Living**. That manual provides understanding and explains the need for generational and foundational prayers that bring restoration to your soul. God wants to bring healing to the deep generational heart wounds that occur in most families.

We have found that there is a stronger anointing when the manuals are used in a corporate setting. We suggest that the corporate group includes 2 or 3 discerning intercessors experienced in spiritual warfare and deliverance. *Lev. 26:8 says, five of you shall chase a hundred, and a hundred of you shall put ten thousand to flight.*

Praying the covering prayer in the beginning of each manual will bind the enemy's ability to hinder the session. However, it is not uncommon to experience some agitation during and after going through a manual. This is a good thing because when we are in touch with our emotions God can more easily apply His healing to your soul (mind, will and emotions). Occasionally, a manual may need to be prayed through more than once. It has been our experience that each time we do a workshop and go through the teachings and renunciations we receive a deeper level of healing and experience a stronger revelation of God's love for us.

One of our ministry team has gone through the Freemasonry manual five times and each time receives a measure of deliverance so much so that her blood pressure is now normal. We have had many testimonies of the delivering power of our Lord Jesus because of the prayers and renunciations in the manuals. We have even seen churches delivered from potential church splits and the Jezebel spirit as the elders stood in the gap.

Remember Satan goes around as a roaring lion seeing whom he may devour, so you will indeed be put to the test. He comes to steal from you, kill your hopes and destroy all you have worked for. Don't give up!

Repentance is a very important tool against the enemy. As you go through the

manuals and say “I repent” in reality you are acknowledging the need to be accountable for past sins and iniquities. You are also submitting your heart and mind to the change needed for restoration back to our Father. Because we come in humility before the Lord to take personal responsibility for the sins of our ancestors, our repentance works to break, shatter, cut-off, dissolve and destroy all holds the enemy has had in and on our lives through the generations. We have seen whole families come to the Lord.

Another tool the Lord has given us is journaling. We recommend spending some time each week waiting upon the Lord as He brings clarity and healing to memories that may be stirred up by the renunciations.

We at 3<sup>rd</sup> Watch believe that praying through the manuals is a form of intercession for our families, friends, city, state, country, even the nations. Before we teach or go through the manuals we encourage you to write the names of loved ones or friends on a piece of paper as a prophetic act including them in your repentance.

Daniel did this for the entire nation of Israel. *Then I set my face toward the Lord God to make request by prayer and supplications, with fasting, sackcloth and ashes. And I prayed to the Lord God and made confession and said, “O Lord, great and awesome God, who keeps His covenant and mercy with those who love Him, and with those who keep His commandments, we have sinned and committed iniquity, we have done wickedly and rebelled, even by departing from Your precepts and Your judgments. Neither have we heeded Your servants the prophets, who spoke in Your name to our kings and princes, to our fathers and to all the people of the land...Daniel 9:3-16*

*“Now therefore, our God hear the prayer of your servant, and his supplications, and for the Lord’s sake cause Your face to shine on your sanctuary, which is desolate. Daniel 9:17* God’s grace is marvelous!

May the Lord bless you as you continue to gain your victory. *“That He might present her to Himself a glorious church not having spot or wrinkle or any such thing; but that she would be holy and without blemish.” Eph 5:27.*

## Preface

When the Lord God began speaking about writing this manual He brought me to Haggai. In the book of Haggai the account plainly speaks of the rebuilding of the Temple (building). Haggai 1:4-6 The Lord no longer visits a man made building but inhabits us, His temple.

This manual has been written in honor of Jesus' finished work on the cross. Because of His great love and sacrifice we are able to rebuild our temples founded on the Chief Cornerstone and go boldly into the territory of the enemy to take ourselves and our families out of the grip of Satan. Luke 11:21 NKJ

We have all been deemed spiritually responsible to discern between the Spirit of Truth and the spirit of error. The counterfeiting spirit goes throughout the world masking the way to and hides the plan of God He ordained from before the foundation. Scripture tells us to, *"Have nothing to do with the fruitless deeds of darkness but expose them."* Eph 5:11

We are also called to take every thought captive that does not line up with the Word.

*"Casting down imaginations and every high thing that exalts itself against the knowledge of God, and bringing into captivity every thought to the obedience of Christ."* 2 Cor 10:5

We are bound by Christ to test the spirits. *"Beloved, believe not every spirit, but try the spirits whether they are from God; because many false prophets have gone out into the world."* 1 John 4:1

## Introduction

Over the past several years as we have been working with ex-Freemasons and the hundreds of families affected by the curses of Freemasonry and we have seen the necessity for some instruction.

We suggest that before you begin to pray and renounce the oaths taken and curses invoked in our manual, that you pray a covering prayer. Because these prayers work line upon line and precept upon precept you may find that things get stirred up in the spirit realm. If that happens BE ENCOURAGED, you are on the right track!

We are renouncing and repenting for our family line and ourselves and because of that we have had several reports that after renouncing the witchcraft and idolatry of Freemasonry that some other ancestral issues arose. We would then direct you to break generational strongholds in your family line. Idolatry is the major abomination against God in Freemasonry and often a family line is steeped in this idolatry. *“For you were sometimes darkness, but now are you light in the Lord: walk as children of the Light.” Eph 5:8 “and have no fellowship with the unfruitful works of darkness but rather reprove them.” Eph 5:11*

Be blessed as you come into your inheritance.

## Covering Prayer

Father God,

In the Name of Your Son, Jesus Christ of Nazareth, I come boldly before Your throne of grace to ask for Your blood covering, Your wall of fire, Your shield of faith and Your hedge of protection to be over, around and about me and my property. This includes extended family and all You have given me stewardship over.

Lord, I ask You to send a host of Your warring and ministering angels to fill this place to overflowing. I also ask You to seal, with the Blood of the Lamb, all access through which Satan and his cohorts can draw strength.

In the Name of Jesus Christ of Nazareth I bind all spirits assigned to me and my family line and cut and sever all lines of communication to every area of my mind and body. I cancel all assignments to me and my family line today as I put on the full Armor of God that I may be able to stand as it says in Eph. 6:11-18.

Matt 12:29 tells me that I must first bind the strongman (ruling spirit) and then I can spoil his goods. Now in the Name of Jesus, I bind the following strongmen and their cohorts that would try to block and hinder my prayers and renunciations.

ALL RULING SPIRITS, FEAR, DOUBT, UNBELIEF, VIOLENCE, FIGHTING, MURDER, RAGE, ANGER, HOSTILITY, ERROR, ANTICHRIST, RELIGIOUS SPIRITS, DIVINATION, WITCHCRAFT, WITCHCRAFT CONTROL, MIND CONTROL, OCCULT MIND CONTROL SPIRITS, ALL UNCLEAN SPIRITS, DOORKEEPER DEMONS, FAMILIAR SPIRITS OR SPIRIT GUIDES, ALL BLOCKING SPIRITS, HINDERING SPIRITS, FREE DEMONS (unassigned demons), DEAF AND DUMB SPIRITS, UNTEACHABLE SPIRITS, SPIRITS OF SLUMBER AND SLEEP, SPRITS OF CONFUSION, MOCKING SPIRITS AND ANY UNNAMED SPIRITS.

As a minister of the Gospel, I ask that the full power and anointing of the Holy Spirit be loosed to me and that the gifts will work through me diversely Lord, as You see fit. I declare that discernment, words of knowledge, words of wisdom, discerning of spirits and miracles are available to me through Your Word.

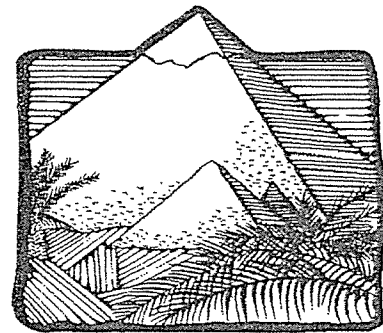

## Freemasonry Isn't Free

*You shall not make to yourself a carved image-any likeness of anything that is in the heaven above, or that is beneath, or that is in the water under the earth; you shall not bow down to them nor serve them. For I the Lord your God am a jealous God, visiting the iniquity of the father upon the children to the third and fourth generation of those who hate me. Exodus 20:4 & 5*

### False gods

Freemasonry believes in the worship of all gods at any altar and encourages its members to be active in their worship of these gods. The belief of a Supreme Being is very important and Freemasonry uses this belief as a way to promote the doctrine of Global Ethics and the Oneness of Man.

Freemasonry is a powerful fraternal order with spiritual origins from Egyptian and Jewish sorcery (Kabbalah) much has also been taken from Islamic mysticism. These are the “ancient mysteries” of paganism. Many other methods are taught that produce a “higher consciousness”. Freemasonry is not interested in revelation. It is interested in illumination.

Their own actions and those of the brotherhood deceive most Freemasons. They as initiates agree to be spiritually blinded and the brotherhood intentionally conceals the true agenda of Freemasonry. The agenda is the worship of Lucifer/Satan, the Great Architect of the Universe (GAOTU).

Freemasonry is built on the foundations of idol worship, pagan rituals, occult philosophies, exalted morality and false royalty. “Freemasonry is a fraternity within a fraternity. It is an outer organization concealing an inner brotherhood of the elect. It has been necessary to establish the existence of these two

separate and yet interdependent orders, the one visible the other invisible. "The visible society is a splendid camaraderie of "free and accepted" men enjoined to devote themselves to ethical, educational, fraternal, patriotic and humanitarian concerns. The invisible society is a secret and most August (of majestic dignity and grandeur) fraternity whose members are dedicated to the service of a mysterious arcannum arcandrum (secret or mystery)." Manly Hall<sup>1</sup>

We know whose service they are dedicated and committed to. It is no secret that Freemasonry encourages the worship of all gods, except one and that is the one true God Jesus Christ.

This omission makes you realize the real power Jesus Christ represents because Freemasons go out of their way to shun and blaspheme His name. This omission has its origin in heavenly places. The battle is between Jesus and Lucifer. Lucifer as you will find is the very author of Freemasonry.

The false gods of Freemasonry are but not limited to:

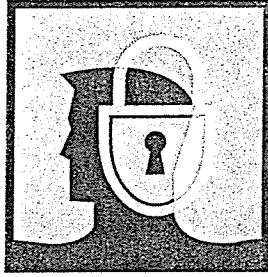

Baphomet/Baphomat	Hermes
Baal	Molech
Mitra or Mithra	Semiramis
Ahura Mazda	Thoth (Tot)
Osiris	Ja Bul On
Isis	Shiva/Kali
Horus	Vishnu
Apollo	Serpents Mainyu

(see glossary)

## Secret Society

There are 33 degrees or steps up the Freemason pyramid from the Blue Lodge to the Scottish Rite. There is a degree for every year in the life of Jesus Christ.<sup>2</sup> The degrees past the Scottish Rite like the pyramids, take you down and deeper into the occult.

- Freemasonry is the largest secret society in the world.
- They have secret handshakes and signs.
- Are involved in strange initiation ceremonies.
- Encourage secrecy at all cost.
- Have an encoded sacred book.
- Is a false religion.
- Destroys families.
- Estranges wives.
- Encourages subversion.
- Brings curses into ones family line.
- Is an abomination to the Lord God.
- Is an international benevolent fraternity.

---

<sup>2</sup> Yvonne Kitchen Freemasonry Death in the Family

- Freemasons hide behind charity and patriotism.

Even though many countries of the world are seeded in Christianity they are usually fettered by strong demonic forces. Freemasonry has brought subtle occultism into many nations such as the United States, Scotland, England, Russia, Italy, Germany and France.

Freemasonry lulls its members into a false sense of security, all the while enslaving them to Satan. Masonry discloses its secrets cautiously and never makes the whole truth known at once.

The Lodge consists of three symbolic degrees. Entered Apprentice Degree, Fellow Craft and Master Mason. These degrees are supposed to coincide with the levels of a stonemason's guild; apprentice, journeyman and master mason. It is interesting to note that most Masons do not go beyond the third degree the Master Mason degree.

If the Mason chooses to go on he will advance to the Scottish Rite and 30 more degrees. The York Rite has some 10 degrees from Mark Master to several Order of Knights degrees. Women and children are not excluded from participating in Freemasonry but have their own fraternal groups. The Order of the Eastern Star is for adult female relatives of Masters Masons. Job's Daughters and Rainbow are designated for girls and young women while Demolay is for boys and young men.<sup>3</sup>

Notable U.S. Freemasons include: Benjamin Franklin, George Washington, Andrew Johnson, John Wilkes Booth, Lyndon Baines Johnson, J. Edgar Hoover, Ronald Reagan and George Herbert Bush and many signers of the Constitution.

---

<sup>3</sup> History of Freemasonry throughout the World, R.F. Gould

Albert Pike a wealthy southerner was also a noted Freemason. His accomplishments, however, tend toward infamy. He was one of the 6 founders of the Ku Klux Klan (KKK) as the terrorism arm of the Scottish Rite. He was responsible for creating many of the rituals and oaths used by the KKK and introduced Illuminati style lynching to the U.S.

In 1865 they took their outward show of contempt for all things Christian to a new level by burning their first cross. This act against Christianity was inspired by the burning at the stake of Jacques Demolay, one of Albert Pike's heroes.

### **Freemasonry as a Religion**

“When the Mason learns that the key to the warrior on the block is the proper application of the dynamo of living power, he has learned the Mystery of his Craft. The seething energies of Lucifer are in his hands and before he may step onward and upward, he must prove his ability to properly apply this energy.

To the Sovereign Grand Inspector General, we say this, that you may repeat it to the Brethren of the 32<sup>nd</sup>, 31<sup>st</sup> and 30<sup>th</sup> degrees-The Masonic Religion should be, by all of us initiates of the high degrees, maintained in the purity of the Luciferian Doctrine.”<sup>4</sup>

### **The Vehicles of Freemasonry**

“Curses are powerful forces that do not operate according to natural laws.” Curses and oaths are used as vehicles to carry evil spirits in the initiation ceremony of every degree. A curse is the invoking of evil upon someone or something and any profane oath.

- A curse is a prayer or invocation to harm or injure someone.
- *It is a sending mechanism with demons attached to ensure its fulfillment.*<sup>5</sup>
- Curses come with words or oaths.
- Curses are the observable out workings of evil.
- Curses open doors to the demonic realm, not only in the person's life but in the lives of their family.

---

<sup>4</sup> Lost Keys of Freemasonry, Manly P. Hall

<sup>5</sup> Freemasonry Death in the Family, Yvonne Kitchen.

The curses and oaths of Freemasonry are binding in the ancestral line because the participant takes and makes them of his own free will. God puts a high price on free will. *“This day I will call heaven and earth as witnesses against you that I have set before you life and death, blessings and curses. Now choose life, so that you and your children may live....” Deut 30:19*

### Swearing of Oaths

Freemasonry requires the swearing of many oaths.

Denial of the Christian faith increases with each oath.

These oaths are meant to inspire terror in the life of the candidate.

Masonic oaths are occult intimidation and masterminding to destroy.

God takes the swearing of oaths very seriously He says, *“but I say to you, do not swear at all; neither by heaven, for it is God’s throne; nor by the earth, for it is His footstool; nor by Jerusalem, for it is the city of the king. Nor shall you swear by your head, because you cannot make one hair white or black. But let your yes be yes and your no be no for whatever is more than these is from the evil one.” Matt 5:34-37*

You may be the one who is required to revoke these oaths of Freemasonry for the sake of your family.

### Bitterroot Judgments

The curse and oaths invoked throughout the degrees are the very ready fields from which spring bitterroot judgments. Bitterroot judgments are made whenever we have an opinion about someone that differs from God’s opinion. Scripture tells us *“judge not lest ye be judged yourself.” Matt 7:1-2*

From bitterroots spring bitter fruits. Scripture says, *“Looking diligently lest anyone fall short of the grace of God; lest any root of bitterness springing up cause trouble and by this many become defiled.” Heb 12:15*

Remember we must renounce all oaths to break the hold of Freemasonry  
in our family line.

### Standing in the Gap

Someone willing to be accountable for the sins and iniquities of his/her ancestral line must break these curses and oaths or the curses will continue. Take your stand today. The Lord God said, *“So I sought for a man among them who would make a wall and stand in the gap before me on behalf of the land, that I should not destroy it.” Ezek 22:30*

We can be that people who revoke the curses and oaths and take back our land and ourselves from the grip of Satan.

- God always requires someone to take responsibility for the unconfessed “sins of the fathers”
- All these sins need to be taken to the cross.
- They need to be named and cleansed or they remain unaccounted for.

## Are the Curses of Freemasonry Working in Your Life?

The seven indications of a curse:<sup>6</sup>

1. Mental or emotional breakdown
2. Repeated or chronic illness (especially if hereditary)
3. Barrenness, a tendency to miscarry or other related female problems
4. Breakdown of marriage and family alienation
5. Continual financial insufficiency
6. Being accident prone
7. A history of suicides and unnatural or untimely deaths

By themselves these issues would not establish the existence of a curse but more than one operating in a family is evidence of a curse in operation.<sup>7</sup> First in the natural then in the spirit you make an oath and a curse is put into place this affects the entire family line.

Freemasonry curses of death and destruction affect you and your family emotionally, mentally, spiritually, physically, financially, psychologically.

Because these oaths were taken verbally at the altar of Freemasonry they must be renounced and revoked verbally before God.

These curses must be renounced as specifically as they were made. We must renounce all pre-Christian ungodliness.

Satan is a legalist.

## Didn't Jesus Do It All On the Cross?

**Yes, He did!** However, we must apply all He did for us. It is not enough to include the tool of deliverance in a list of all that was accomplished for us. We must use the tool; we must bring the tool to a dying world. Jesus didn't just know He had the power to deliver, He acted on it. He appropriated the power given to Him by God.

Ignorance is not an excuse we will be able to use before God. If there is a question in your mind about deliverance from curses we at 3<sup>rd</sup> Watch always encourage you to seek the counsel of God. Let God be true and every man a liar.

Jesus made a way where there was no way and greater than what He did, we will do!

As we "speak off" curses we must "speak on" blessings.

The Word of God does not return to Him void. It accomplishes everything it was sent to do.

The curses of Freemasonry directly relate to blessings from the Word of God.

## **Forgiveness is very important**

We must forgive the sins of our forefathers.

Forgiveness cancels any sins committed against you.

Forgiveness unbinds us from those who sinned against us, knowingly or unknowingly.

Matt 6:13 ...as we forgive those who trespass against us.

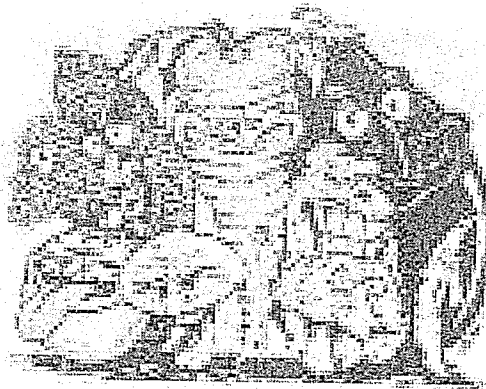

## **Renunciations**

- I renounce the Masonic system of morality. It is a veil for the paganism they really practice.
- I renounce the insistence of harmony and their unscriptural system of “good works”.

- I loose myself and my family into Spiritual and physical abundant life. John 10:10
- I loose myself and family line into the path of the just which is a shining light. Prov. 4:18
- I loose my spiritual walk into the Fatherhood of God alone.
- I renounce all my family's involvement with Freemasonry and any other Lodge, craft, secret society or cult

## THE OCCULT

The symbols and practices of Masonry are definitely occult. The word occult means hidden and secret things.

The higher a person goes in to Freemasonry the more they become enmeshed in the occult.

Masonry opens the door to the occult and parapsychology, the latent power of the soul and psychic abilities.

Freemasonry is akin to Rosicrucianism, which stresses the personal development of occult powers, spirit contact, and cultivation of altered states of consciousness.

Freemasonry has been used to revive the occult in our day.

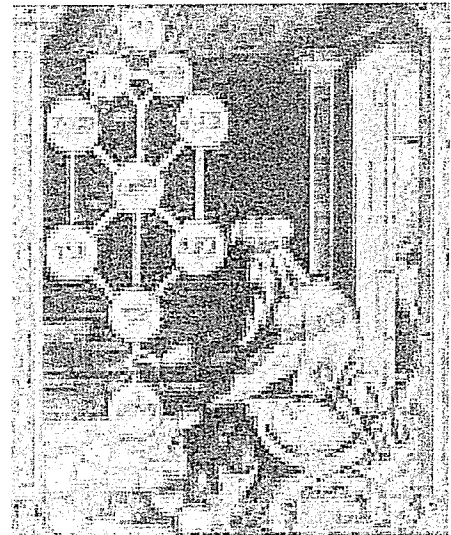

Freemasonry opens doors to the black and white magic of Satan.

Freemasonry is the worship of Lucifer.

Freemasonry is based on many occult arts and practices. Kabbalah is one of those arts that many stars in Hollywood are now studying. Madonna and Britney Spears are just two that are very vocal about their beliefs.

## **Kabbalah**

Kabbalah is not a religion and never was. It originated around the 11<sup>th</sup> century as an outgrowth of earlier Jewish esoteric-occult traditions. Kabbalah has two main texts, the

Sepher Yetzirah (the book of creation) and the Zohar (the book of enlightenment). The Zohar is also a commentary on the Pentateuch (the first 5 books of the Bible).

The Sepher Yetzirah describes the creation of the universe based on geometry and key numerical sequences derived from the Hebrew alphabet.<sup>8</sup>

Kabbalah is a relatively new word for many of us. If you have heard the word you probably don't understand the occult nature. The Kabbalists were a mystical Judaistic sect in the middle ages. The Kabbalists sought to control God above us and the world around us through the use of magical incantations and odd applications of the Hebrew alphabet.

---

<sup>8</sup> The Kabbalah Unveiled translated by S.I. MacGregor Mathers

Kabbalah believes:

The soul is pre-existent and exists somewhere somehow and in some sphere before conception.<sup>9</sup>

One can have previous existences and that you can go around more than once. They believe you can go around 3 times if you have to and then upon death may inhabit another body. (Reincarnation)

God is in everything and everything is in God.

The soul leaves the body at night and travels somehow to God. The soul then comes back mysteriously in the morning. (Astral projection or soul travel)

Creation came from four elements-water, fire, earth and ether. (These are the four elements in the Scottish Rite)

Stars and planets affect everything through the angelic personalities that rule them.<sup>10</sup>

The Kabbalah is very important to Freemasonry and I believe the basis for the encrypted books they read. In the seventeenth degree the initiate is subjected to an examination on the proficiency of his knowledge of the Kabbalah thus far. He goes back and makes sure he knows all the oaths and pledges taken, further insuring his bondage to Lucifer (GAOTU). Anton Le Vey, founder of the church of Satan, stated that the "Mastery of the Kabbalah can give a person unimagined magical skill. The essence of Kabbalah is gaining magical occult skill."

The book of Zohar is the chief book of the Kabbalah and states that "All the stars and the planets in the firmament are appointed as overseers and officers to serve the world."<sup>11</sup> We see here a kinship to astrology.

This diagram represents the "Tree of Life" (the tree of the knowledge of good and evil). The top of the diagram is called Kether "The Crown" and represents

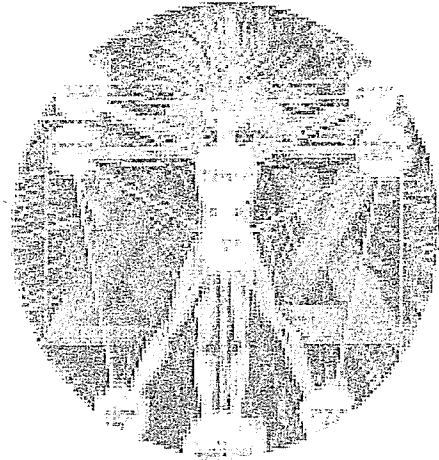

---

<sup>9</sup> The Kabala page 17

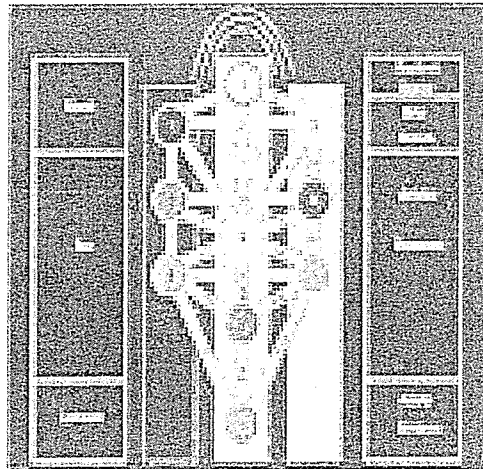

<sup>10</sup> Book of Zohar page 663

<sup>11</sup> Book of Zohar

the divine intelligence of God. Some occult traditions teach that these paths correspond to the arcana (division of the pack) in the Tarot.

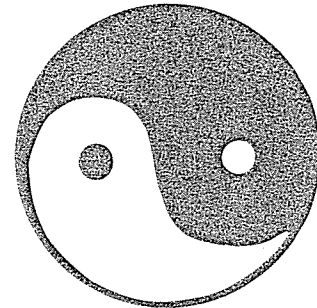

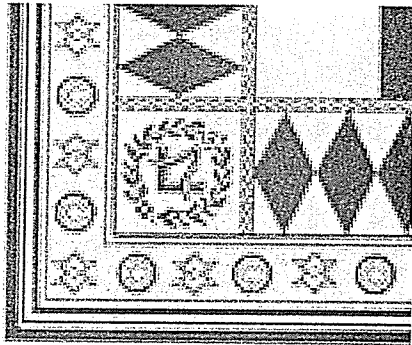

The chart and the Hebrew alphabet join together to calculate the true name of things. Kabbalah believes if you know the true name of something you can control it.

Freemasonry takes from many sources mostly occult and like Kabbalah has geometry at its core.

## Black and White

Black and white is very important in the Masonic temple. The black and white floor symbolizes the dual nature of God. White = good god Lucifer and the black = bad god Adonai. Both equal in power yet opposite in intent. This is also represented as the Tao symbol for Yin/Yang. The core of this myth is that Lucifer is benevolent and only seeks to illuminate his followers with special knowledge.

## Renunciations

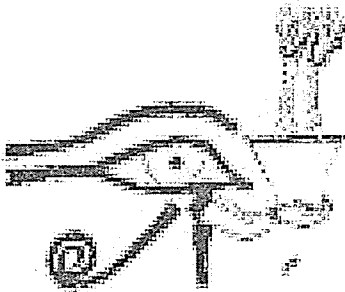

- I renounce in Jesus' Name all searching for and coming under psychic powers and spirits of clairvoyance that have come down my family line.
- I renounce all open doors to the occult, spiritism, soul power and magic.
- I renounce all occult powers connected to the black and white of Lucifer.

## HORUS

Horus is the Egyptian Falcon god, the name Horus means “foresighted.” He is known as the god of the sky and so is the ruler of that realm (the prince of the power of the air).

The god of Freemasonry is symbolized in the eye of Horus, the all-seeing third eye that watches over all Masonic Orders.

It is also on the Masonic pyramid.

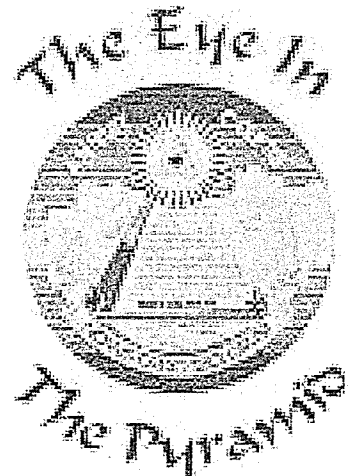

The third eye is occult knowledge, clairvoyance and divination.

The eye of Horus is the eye of the occult.

It opens the door to the false prophetic.

*Freemasonry is interested in illumination not revelation.<sup>12</sup>*

Freemasonry seeks the false light of Lucifer.

<sup>12</sup> Freemasonry Death in the Family Yvonne Kitchen

*“Beware lest any man spoil you through philosophy and vain deceit, and the traditions of men, after the rudiments of the world, and not after Christ.” Col 2:8*

## **Renunciations**

- I renounce the god Horus, of Egypt, the falcon god.
- I renounce the eye of Horus which is the eye of sodomy.
- I renounce the all-seeing third eye of Horus and shut the eye for myself and in my family line.
- I renounce the false glory of the Sun coming out of the eye of Horus.
- I renounce occult vision and occult knowledge.
- I renounce the Masonic spirit of divination.
- I renounce the false prophet of Freemasonry down my family line.
- I renounce the eye of Illuminati.
- I renounce all seduction by the false prophet and all idolatry of false prophecy. I close the door to the counterfeit spirit world of deception and all curiosity of it.
- I renounce the Greek god Apollo, the false prophet of prophecy and knowledge. (Apollo is a strongman in the spirit realm over Freemasonry.)
- I renounce the office of false prophet.
- I renounce the false light of Lucifer

Sodomy is the gate that Satan uses in many occult rituals and the bowel area is the holy place of Satan. This sexual perversion (whether with human or beast) releases death and sex magic into every part of the body. **SATAN IS LOOKING TO DEFILE THE BRIDE OF CHRIST AND HIS CONSUMATION WILL BE THROUGH SODOMY.**

**The Egyptian god Thoth (Tot)**

The god Thoth is a false prophet. Freemasonry is bound by Thoth *who wants to steal the office of true Prophet*. He is also a doctor and ritual surgeon and *comes to the body of Christ with false healing and deliverance. He is the god of lunacy.*

### **Renunciations**

- I renounce the god Thoth (Tot) and all lunacy and false healing.
- I renounce the office of Thoth, the false prophet and false healer.
- I renounce any and all ritual surgery.
- I renounce all false signs and wonders.
- I renounce all false deliverance.

## Holy Unto the Lord

Freemasonry uses Kundalini power, the awakening of light in the seven chakras from sacrum to crown. The chakras are called seals and it is no coincidence there are seven of them. This correlates to the seven seals in Revelation and we know the only one with authority to open the seals is the Lamb. Because he cannot create and can only counterfeit, Satan has taken the seals (chakras) and opened them.

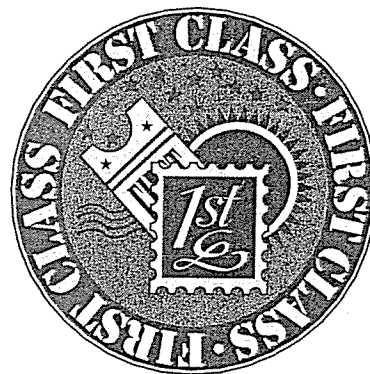

The spine has been called Satan's Royal Highway as Kundalini fire and power can be awakened by many things. We as the Body of Christ must become aware of the devices of the enemy. Kundalini fire can be awakened by Yoga (yes even Christian yoga), martial arts, trauma to the tail bone region, back or spine, chanting and seeking higher levels of consciousness and enlightenment. We have allowed a mixture in the church between what is holy and what is defiled.

We are called to be a people who run from even the appearance of evil not cohabit with it.

We are sealed servants of God. Rev. 7:2-3

We have been bought with a price.

We have the Seal of the Living God. I declare I am sealed unto the day of Jesus Christ!

## Renunciations

- I break the seal of the antichrist over myself and my family line.
- I break the seal of the false trinity.
- I break the seal of the dragon Satan.
- I break the seal of the false prophet.

- I break the seal of death.
- I break the seal of Lucifer and Freemasonry.
- I break the great seal of Freemasonry.
- I renounce Kundalini power and fire.
- I renounce all practice of yoga even as a stretching exercise.
- I renounce all martial arts, dojos, sensei's, masters and all eastern philosophies.
- I renounce Kundalini Kali and Shiva the Destroyer.
- I renounce any fire that comes from any origin except from the Holy Spirit.
- I renounce the Satanic royal highway.
- I renounce all sodomy.

### **Baphomat or Baphomet**

The god Baphomat is central in Freemasonry. Baphomat is pornography, sodomy, homosexuality, bestiality, polygamy, twisted power, black magic and sex magic. Baphomat is a horned, winged serpent that combines the characteristics of a dog (the Egyptian god Anubis), a bull (Baal), the goat (Jewish scapegoat) and the Celtic stag god.

Baphomat represents the zodiac sign for Capricorn the goat and fish.

Baphomat is the Tarot card for the Devil.

Baphomat is Shiva-Kali in Hinduism.

Baphomat incorporates the lotus flame of Buddhism and Hinduism.

Baphomat is the goat god.

## BAPHOMAT IS SATAN HIMSELF.

### Description of Baphomat

Two twisted horns represent the twisted power and authority of Satan.

The semi-circle over the phallus is the atmosphere and he is the prince of the power of the air. Eph 2:2

He has a pentagram with a goat head in it on his forehead. He is a goat within a goat.

He is part human (arms and breasts).

It is part animal (goat and scales of a fish).

It is part reptile (snake).

It is part plant (lotus flame).

It has breasts yet the lower half is veiled, portraying the male sex magic of the Caduceus Rod (a magic wand).

Its right arm points up (same gesture as boy scouts) toward heaven, while left arm points down. This is a declaration, "As is above as is below. As in heaven as in hell."

Baphomat is androgynous, it is female and male.

He has words on his arms that say solve et coagula which means solution and coagulation. This is a term used by Alchemists. Alchemy is the occult practice

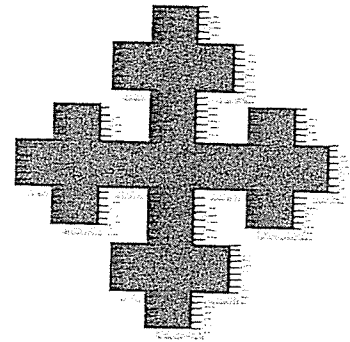

of turning metals into gold. It is a form of witchcraft occult science. The term refers to analysis and synthesis, to divide and then unite.

**If the church has Freemasonry in it the idol Baphomat will encourage sexual immorality and impurity.**

### **Renunciations**

- I renounce the idol Baphomat the witchcraft goat god.
- I renounce the Masonic curse of Baphomat off the church.
- I renounce the curse of perversion, pornography and occult sex.

### **Baal (the bull god)**

Freemasonry is based upon Old Testament Baal worship.

This is an abomination to God and in direct opposition to Him.

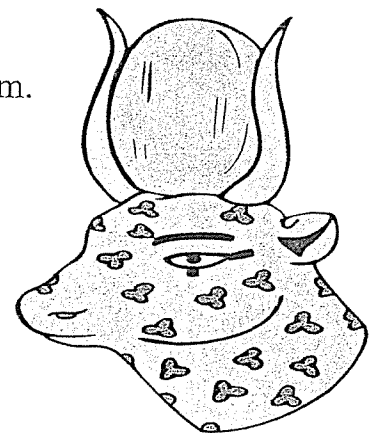

The bull is regarded as a symbol of power that produces life.

Baal is one of the major gods of Freemasonry.

The god of the Mason is a three in one god. Jah Bul On.

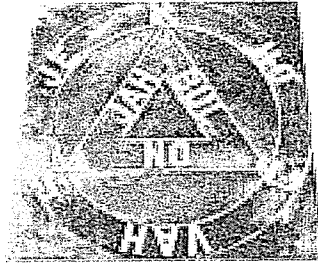

The bull rapes, plunders and murders our families.

The bull gores and leaves us hemorrhaging emotionally spiritually and physically. Bull worship takes our families into apostasy (revolt) and into spiritual harlotry (the golden calf).

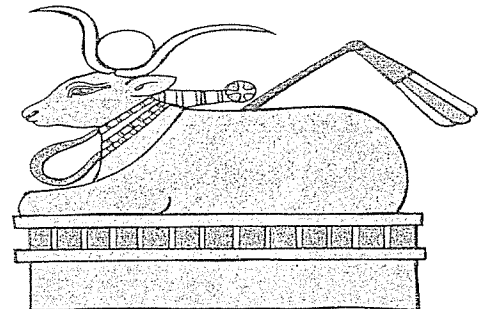

Baal worship needs the false Apostolic and Prophetic. Jah is Jehovah but not our Jehovah, Bul is Baal the bull and On is the Egyptian god Osiris.

### Renunciations

- I renounce the worship of Baal and the bull in my family line.
- I renounce the ripping, tearing and hemorrhaging of the god of Baal.
- I renounce the Baal fertility cult of incest.
- I renounce the gods of mutilation that come with Baal.

### The god Hermes

The Greek god Hermes sits right at the core of Freemasonry. Hermes is the god of reason and logic. *He sways the church into reasoning away the power and miracles of Jesus.*

The presence of Hermes becomes very obvious after the 21<sup>st</sup> degree. Hermes is also the Roman god Mercury and Egyptian god Thoth. He is the god of communication, oratory and the written language. He is the messenger of the god's.

### Caduceus Rod

Hermes is also a magician and wields a golden wand with a winged globe at one end and two snakes entwined on the staff. This represents false healing and deliverance. This is the symbol for the healing arts in modern medicine.

### The False Forerunner Spirit

Hermes is portrayed with winged feet and winged helmet. *He places wings on our minds, feet and heart to seduce us away from Jesus.* He is the god of the Olympic runner, hence the false forerunner spirit. He is the god of stealing, stealth and the seduction of money. He propels the church into leaning on occult power instead of the power of God.

## **The Blue Lodge**

The Blue Lodge comprises the first three degrees.

From here if a candidate wants to proceed further he may enter the Scottish Rite or York Rite.

Albert Pike is quoted as having said that the Blue Lodge is the outer court and the initiate is intentionally misled by false interpretations.

## **The Scottish Rite**

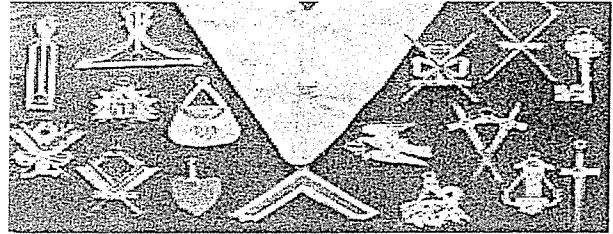

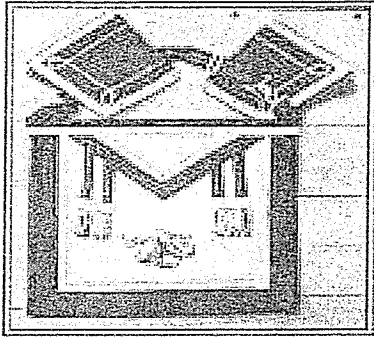

Has thirty three degrees-one for every year Jesus lived.

This is blasphemy against the life and death of Jesus.

Freemasonry counterfeits Jesus with the blasphemous Christ Hiram Abiff.

**Jesus said, "I am the Way, the Truth and the Life."**

## Masonic Mantles, Jewels, Offices and Titles

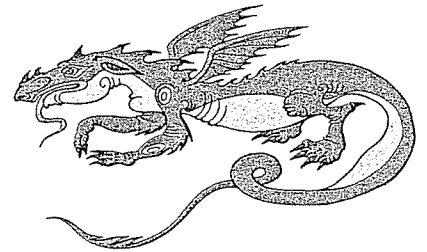

- Spiritually, regalia is the prophetic wearing of an occult mantle.
- A mantle has increased power and authority.
- The Freemason dresses in regalia to initiate into further degrees.
- There is different regalia for every degree of Freemasonry.
- The office and title releases a person into further power and authority.
- There are more than 33 Offices and Titles in Freemasonry.
- The pride of these titles keeps one bound to the pride of Lucifer.
- We must renounce the mantle, office and title.
- Jewels are reminders of the degree (much like the charms on a bracelet)

Through progressive making of vows and oaths the mason makes covenant with Lucifer and becomes his bond slave. He also takes on mantles and does other prophetic acts enslaving him more deeply. The cable tow or noose around his neck is just the beginning of his attachment. He becomes the slave of a very cruel master. The initiate opens the door to many generations being sold into the same slavery. We may want to make Jesus our Lord but His Lordship comes as we undo the bonds of slavery down our family line piece by piece.

## Renunciations

- I renounce being a bond slave to Lucifer.
- I renounce being a bond slave to the Master Mason, Perfect Master, Most Powerful Master Mason and Worshipful Master.
- I renounce being a Grand Master Architect, Secret Master and Master of the ninth Arch.
- I renounce being a bond slave of the Beast and Dragon.
- I renounce being a bond slave to the false prophet.
- I renounce all mantles, offices and titles associated with all of Freemasonry.
- I renounce all regalia associated with Freemasonry.

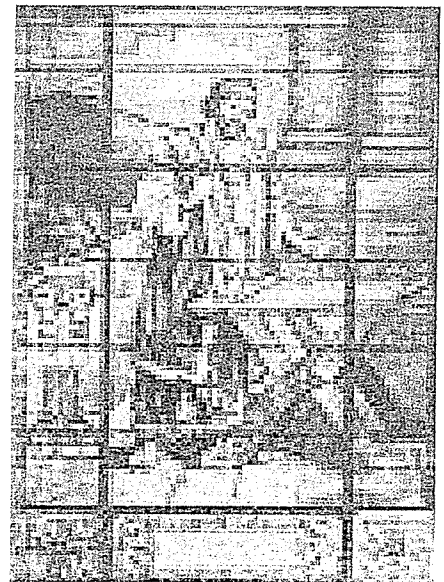

## The Legend of the Temple

The legend of Hiram Abiff is mostly fictional but does have some historical and biblical basis in 1 Kings 7 and 2 Chronicles 2.

To understand some of the rituals we must understand the legend. Hiram is the counterfeit of Jesus the carpenter.

The story Hiram Abiff dominates the first three degrees of Freemasonry. This is interesting in spite of the fact there is very little known about Hiram Abiff.

Hiram, like many in history is distinguished in their death more so than in life.

All that is known about his life and death are written in the Volume of the Sacred Law and that is riddled with contradicting evidence. Robert Gould, a Masonic scholar labels the legend of Hiram Abiff as a myth.

We first learn of Hiram in 2 Chronicles chapter 2. Solomon enlists the aid of King Hiram of Tyre to help in erecting the Temple. The King of Tyre sends a widow's son who is skilled in gold, silver, brass and iron. The widow's son is Hiram Abiff. 1 Kings Chapter 7 speaks of Hiram's mother being an Israelite from the tribe of Naphtali. His father was from Tyre and was the person who taught Hiram everything he knew. His father was so skilled that the King had a special appointment for him and upon the death of Hiram's father he inherited the appointment.

The legend dramatizes the widow's son (a direct descendant of Tubal-Cain) as a victim fallen prey to evil powers who rises from the dead into a more glorious existence.

Hiram had the responsibility for the erection of the Temple and for building the golden throne of Solomon. While excavating for the foundation a cornerstone was found with the name of God on it.

This was such a secret that Hiram and the King swore the workmen who discovered the stone to secrecy. The stone was hidden away for safe keeping.

Hiram was misunderstood and loved by few and was given toward being melancholy. Solomon envied his gifting, genius and glory and this envy deepened to hatred when the Queen of Sheba admired Hiram above Solomon. If allowed to go unchecked the architect would soon take the king's place. The King captivated by her beauty offered her his hand, which she accepted but she couldn't help wanting to be in the presence of Hiram Abiff. Solomon made many excuses which kept the Queen away from Hiram but alas he had to present Hiram to the queen. The queen, excited by the magnificent workmanship she had seen asked Hiram to explain all he had made. Jumping upon a rock to be seen better, he began to extol the queen with the thousands of things he had made for the temple. As the queen listened she became enthralled with the architect and regretted giving her hand in promise to the king. She feared she was in love with the architect.

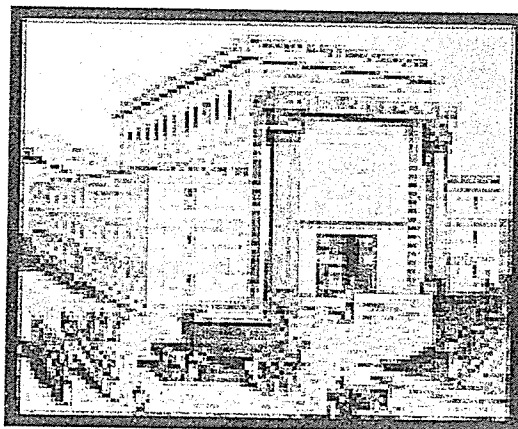

Solomon being a wise and discerning man could see the affection growing and sought immediately to destroy the widow's son. He began to plot the

destruction of his rival. He sought out the three men who had been sworn to secrecy about the name of God. These men were also envious of Hiram. These three men set out to dishonor Hiram in the sight of the queen. One day the queen asked to see Hiram at work. He was beginning the job of casting the brazen sea and looked forward to showing off in front of the queen. What he didn't realize was that the three men who hated him had altered the mold and when Hiram poured the molten gold the mold burst and the molten metal flowed everywhere and covered everything. During this time the name of God was once again lost, proving that the name of God is easily lost. Humiliated and ruined he sought to run. All at once he heard a voice from heaven saying, "Hiram, Hiram come my son, be without fear for I have made you incombustible, cast thyself into the flames." Hiram threw himself into the furnace. Once in the furnace he saw a figure and asked, "Who are you?" The response came, "I am the father of your fathers, I am Tubal-Cain."

Tubal-Cain introduced Hiram to the fire. After sometime Hiram walked out of the fire with a gavel like hammer made of bronze. This hammer had been give to him in the fire, "to judge men with". He, Hiram had been judged by the fire and found innocent.

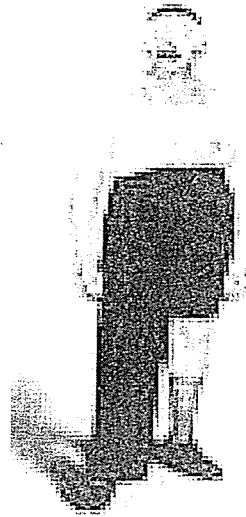

When the queen saw this she knew she did indeed love Hiram. She would steal away to meet him and together would declare their love.

Solomon was livid and declared he would see the architect dead. He arranged to have him killed and to remove suspicion from himself went about looking for Hiram. Unable to find him he enlisted several others who brought back the heads of the three envious masons who now had become assassins. Finding where Hiram was buried he tried to raise him from the dead with the grip but Hiram had gone on to a greater illumination and reward in heaven.

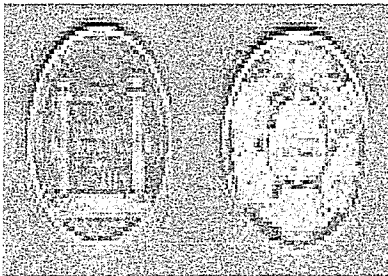

## The First Degree Entered Apprentice

- The candidate is dressed in pajamas.
- A blindfold (hoodwink) is placed over his eyes and a noose is put around his neck.
- The left breast is bared and pricked with a sharp dagger or compass.
- His left arm and leg are made bare and his right shoe removed. He is made vulnerable.
- The cabletow (noose) is left hanging behind him like a leash.

The key words of the first degree are surrender, submission, violence and fear. The baring of the breast is to ensure the sex of the participant. The candidate promises he will never reveal any secrets of the brotherhood. The person is then taken to the northeast corner of the Lodge. The foundation stone is in that corner. The candidate is told that he is the cornerstone. He now learns the first degree salute which is the thumb drawn across the throat like a knife.

**Jewel for the first degree**

## **The Eleventh Degree/Elu of the Twelfth- Sublime Master Elect-Heart of Flame**

The apron of this degree is white, lined and bordered with black and a flaming red heart is in the center.

The candidate adopts the motto I'd rather die than to betray Freemasonry. This is called Masonic zeal.

The emblem/jewel for this degree is a dagger suspended on a black cord. The dagger is inscribed with a pledge, You will rather die than betray the cause of the people or be overcome by your own fear.

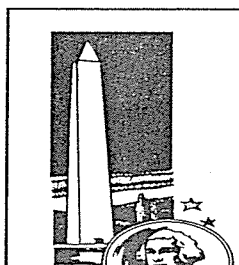

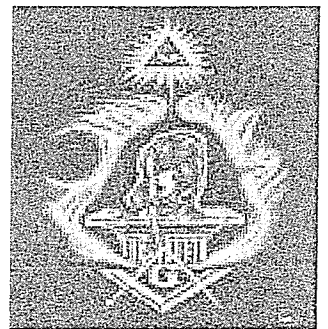

The inference here is that truth is sharper than any two edged sword. This is actually the sword of deception.

The twelve signify the false apostolic of Freemasonry.

Masonic apostles breed anarchy.

## The Twelfth Degree/Grand Master Architect

The emblem/jewel of this degree is seven sided and has a Hebrew letter on one side and five columns on the other side along with the six instruments of the Grand Master of Architecture.

These tools are the plumb line, compass, slide rule, plain scale, level, protractor, a sector. As you can see these are instruments of calculation. Everything Satan does is calculated never CREATED.

Architecture is an idol in masonry. Satan even calls himself the Great Architect (and Geometrician) of the Universe. The idolatry of Egyptian pyramids and witchcraft form the basis for Freemasonry.

An oath is taken: *my body will be exposed on a pyramid to the heat of the sun, to the cold of the night, to the riggers of the wind and may my blood run slowly until my life is extinguished...then may nourishment be given to prolong my suffering and preserve my miserable existence.*

Twelve swords get pointed at the candidate and he is driven 27 times around the lodge and then thrown out.

Twelve is the apostolic number of God and also the apostolic number of Lucifer.

The Twelfth degree establishes a false building anointing and false apostles.

The things built by Freemasonry become idols of Freemasonry and have guards in the spirit realm.

The guards are very much if not identical to the sphinxes that guard the pyramids.

The spiritual desire of Lucifer is to keep the church bound as he has the Masonic temple bound. That is why we must come out from among them!

Lucifer will always try to murder true Apostles.

This degree states that the Name of God can be easily lost.

An oath is taken: *I bind myself to the Lodge forever and consent to have my body exposed to be eaten by wild beasts. I am bound at the peril of my life.*

This losing of God's name may explain why it is so easy for some to backslide. We must let His Name and all His attributes go deep into us. This side tracks people from seeking their true calling and sticking with God.

These degrees are all about bloodshed and ritual mutilation.

## **The Seventeenth Degree/Knights of the East and West**

The jewel is a seven sided medal with a lamb on one side and the seven seals on the other.

This degree gives us the secret word Abaddon from Rev 9:11 (the angel of the bottomless pit)

The name of the demon is taken on by the Mason; he is now bound to Death and Hell.

The candidate for this degree bares his arms which are lanced and blood is taken he washes his robes in his blood. This is a false cleansing.

This degree declares you are your own blood sacrifice.

The candidate is told he should not hesitate to spill his blood for the good of Freemasonry.

The main feature of this degree is the mocking of John the Baptist who preached "Behold the Lamb"

The Mason now replaces Jesus as the sacrificial Lamb and makes His atoning Blood of no account.

The Master of the lodge the "All Puissant" breaks and explains the seven seals. (Rev 5:2-5 The only one who can open the seals is the Lion of the Tribe of Judah!)

An oath is taken: *If I reveal secrets my life will be forfeited all torture previously consented to will be done*

The Pelican and Eagle represent the perfect wisdom of Lucifer.

The Knight is given the “seal of perfection”.

## Preparation of the Bride

And the Spirit and the Bride say, “Come!”. Rev 22:17 This manual is a book of preparation. Just as Esther was prepared so too must we prepare ourselves.

Heavenly Father,

Now that I have finished standing in the gap for my ancestral line and have numbered myself with the transgressors, I am officially removing myself from the gap until such a time as you call me again to intercede.

I call back every part of myself cleansed by the blood of Christ. I call back Godly attributes, giftings, callings and generational blessings from all dimensions.

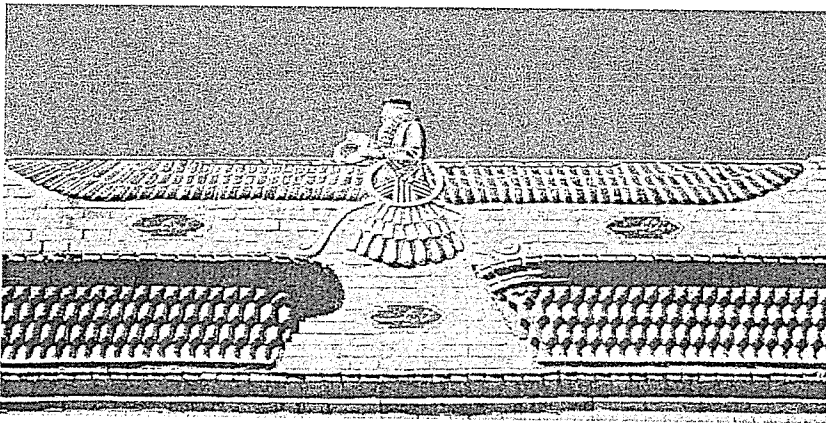

I place everyone in my family line in Your care and ask that the work done here today be sealed by the Holy Spirit in Jesus' Name Amen.
