TOGETHER WE CAN

Help Us Help Others

Sand Stew, Inc. has been providing the annual Sober in the Sun Festival for over 30 years! The festival started with just three guys and an idea and has flourished into a 3-day sober festival held annual over Labor Day Weekend, with live music, workshops, meetings, waterfront activities, food, vendors and more!

The festival provides not only recovering alcoholics and addicts a safe, fun place to grow their sobriety but also provides a place for their family and friends to learn about the disease of addiction and provides a safe and sober place to have fun together!

With the help of sponsors like you, we are able to hold our annual festival and provide more throughout the year!
