Paradise or Hell on Earth?

As the Great Reset takes place with a world war looming on the horizon, we continue to hear about the end times, depopulating the world, artificial intelligence taking over the world, a central bank digital currency, and a global world with a changing demographics.

As per World Economic Forum (WEF), America's dominance is over. By 2030, we'll have a handful of global powers (Nov 11, 2016). In other words, America will no longer be an empire by 2030, as we're witnessing the downfall of America from day to day as the New World Order takes over with its Great Reset and as millions of migrants arrives at America's southern border. Other places around the world are also facing many crisis and downfalls such as Britain.

Many have lost hope. In recent times, I know of very religious people who believed the soul continues on at death, but now says that death is the end of the body and soul and that paradise is on earth. Just recently the host of a YouTube channel at the beginning of his show said 'another day in paradise.' While I was shopping an attendant walked up to me and said something like 'this is paradise.' For some it is paradise, but for many affected by famine, starvation and wars, it's hell on earth. The Prophet Muhammad of Islam said that in the end times, people will be calling on Jahannam (the fire) and not on God. This edition looks at the mpox outbreak and glance back on SEERS the 2022 simulation affecting children, along with the Islamic view on the Shaitan (Satan) and the tricks they carrying out.

MPOX outbreak declared an emergency on August 14, 2024 affecting children, and a glance back at a 2022 simulation of a future virus known as SEERS 2025 to also affect children By Fisal Ally

According to sources mpox is a public health emergency

On August 14, 2024, WHO declares Mpox (clade IB) a public health emergency. At time 31:51 into the video (ref 2) the title of an article states: 'Daily Mail 'Canadian government warns country to prepare for new virus far worse than COVID' by Joe Hutchison for DailyMail.Com, posted on Aug 14, 2024. At time 32:15 (ref 2) headlines, 'WHO declares mpox a global health emergency.' Thus the words 'a public health emergency' and 'global health emergency' are being used. How bad will this get, while a day before, as shown at time 33:36 in the video (ref 2) shows the heading: 'Fauci wants to bring back mask mandate as COVID cases increase' by Denette Wilford; August 13, 2024.

Simulations after simulations warning of contagions to come

Going back in time, a few years, starting with 2017 where 'a futuristic fictional simulation known as SPARS 2025-2028 was carried out, where a vaccine known as Corovax was introduced. Two years later, another pandemic simulation known as Event 201 based on a hypothetical corona virus outbreak had taken place in 2019, and shortly after, the covid pandemic which humanity faces today was announced. Then two years later, in 2021 another simulation was run where a Monkeypox outbreak had taken place, and approximately a year later in June 2022 a real Monkeypox outbreak was identified.' Then in October 2022, 'an even newer contagion simulation of a virus outbreak known as SEERS 2025 was ran, where a team of ten people carried out exercises for preparedness in the event the virus spreads around the world, which would become more deadly than covid affecting mostly children. The definition for SEERS is Severe Epidemic Enterovirus Respiratory Syndrome. We are approaching 2025; can the SEERS 2025 contagion referred to become a reality? (Ref 3).

Below provides more information on the Symptoms of the SEERS 2025 simulation ran in October 2022

Reference: Severe Epidemic Enterovirus Respiratory Syndrome (SEERS) | WARNING 2025; https://www.youtube.com/watch?v=fQ5UtQc_LL8; Premiered Jun 13, 2023;

An excerpt from the link states: ‘Severe Epidemic Enterovirus Respiratory Syndrome (SEERS) Severe Epidemic Enterovirus Respiratory Syndrome (SEERS) is a hypothetical disease, as there is no known condition with this specific name. However, it appears to be a combination of terms related to respiratory infections and enteroviruses.

What is mpox and it’s danger

(Note in this section, there may be miss spelled words as the references were taken directly from the transcript)

On August 14 2024 mpox, formerly known as monkey pox, was declared a public health emergency. At 0:19 in the video (ref 1), the host begins by explain what mpox is. He says, ‘... you may recall back in 2022, we discussed the outbreak of mpox at that time and discuss the signs and symptoms.’ The host says ‘...there are two families of mpox and they're known as clades. There's clade one and Clay 2. Cade 1 is endemic in Africa and typically it was in the Congo whereas clay 2 was in West Africa but more specifically clay one was the more infectious more likely to cause disease and was more deadly up to even about 10% of people who became infected whereas clay 2 was less infectious caused less disease and was less deadly.

At 1:27 into the video (ref 1) the host says, ‘ it was clayed to be in fact the that was the type of virus that had spread to the United States and other countries 2 years ago in 2022 and as it turns out the survival rate was actually 99.9% very high because this CLA is less infectious it takes a lot of contact for this type of virus to transmit and it was seen mostly in men having sex with other men and other types of very close contact this is not the CLA that is currently the concern.’

Mpox in Congo

At time 2:00 into the video (ref 1) the host states, ‘ right now we have CA 1B which is making a rise specifically in the Democratic Republic of Congo, but also in neighboring states like Burundi, Kenya, Rwanda and Uganda, and while it still has the characteristic of being spread through close contact including sexual contact because it is more infectious. He states at 2:25 we're starting to see people having contact even with people clothes and bedding coming down with infections that have never had sexual contact with the index person fortunately we're not seeing a 10% case fatality rate at this point; it's closer to about 1%.

Mpox hits Sweden and warning lots more coming in days

At time 2:50 into the video (ref 1) the host states, ‘...today on August 15 there was news that somebody from Sweden had actually come down with this version of mpox and it was likely because he traveled to that area...’ Also in the video (ref 2) at 5:55 in the video, the host says ‘...CDC says...and this new strain of mpox affect children disproportionally and the first case was reported in Sweden. And now the WHO is warning that there will be lots more in 'coming days.'

Deadly outbreak in the Congo affecting children, and a look at the SEERS 2025 simulation from 2022

At time :20 (ref 2)(the host briefly mentioned the catastrophic contagion simulation (SEERS 2024) which was ran in October 2022, shows an outbreak for a deadly contagion.’ He informs us

that 'now there's a deadly outbreak in Africa in Congo where children are being affected by the mpox virus.

The host says 'the simulation Bill Gates ran in late 2022 is now playing out in the real world.'

The SEERS 2025 simulation ran in October 2022 predicted that in 2025 there would be an outbreak, which affects children. But August 2024, the main area affected is Africa, where as in the 2025 simulation the main area affected is the northern part of South America in western Venezuela and half of Guyana right next to Venezuela.

In (ref 2), a world map was shown with all of the countries in the world. It shows Canada in white with 1 to 100 people being affected. Many places are colored in brown and with a brown bar indication such as the US, Russia, China with 1001 to 10,000 people affected. The only place in a reddish color is a part of western Venezuela, about half of Guyana, and a part of northern Brazil and what looks like a reddish indicator bar with 10,000 +, which could go very high.

Will the SEERS 2025 simulation ran in October 2022 come true where this region of South America is affected the most with a deadly contagion?

As of now, on August 14, 2024, Africa CDC declare mpox a health emergency '...particularly impacting countries like the democratic republic of Congo....40,000 cases and 1500 deaths reported since January 2022' (ref2).

Going back to 2022 with the SEERS 2025 simulation, below is a map which I had drawn for a past article published in the Diverse City Magazine that shows where the outbreak starts in South America, colored in yellow and brown.

Cases of mpox recently reported

'The estimated number of mpox cases reported between January 2022 and August 2024 is 38,465; source Africa Centres for Disease Control and Prevention.(ref2).'

Time 21:38 into the video, provides Data from the World Health Organization

Years	Flu	Covid
2016-17	29 million	0
2017-18	45 million	0
2018-19	36 million	0
2019-20	38 million	0
2020-21	0.0015 million	32 million

How bad will this get?

We've seen simulations after simulations that have come through. This is what wion news said in the video called 'Next pandemic: Disease X is 20 times deadlier than covid-19 1 WION ORIGINALS, posted October 2023 (10 months ago); <https://www.youtube.com/watch?v=pVL8jR1mB68>

The host says: 'Disease X is the name given by the World Health Organization. It can cause another pandemic deadlier than covid-19. The disease can be 20 times deadlier than covid-19. Disease X is the next unknown disease of epidemic potential. The term was formalized by the WHO in 2018....as of now it is not clear where this disease could emerge from '

Which contagion will it be that spreads and affects children? Will it be mpox or another contagion?

A comment below on SEERS from: Catastrophic Contagion Highlights - Bill Gates Foundation Conducts New Pandemic Simulation; <https://www.youtube.com/watch?v=1oGfPt9AORA>; Dec 11, 2022

'Did you know that almost three years from the date from the Event 201 "simulation", The Johns Hopkins Center for Health Security, in partnership with WHO and the Bill & Melinda Gates Foundation, began to run another pandemic "simulation"? The Catastrophic Contagion simulation "simulated" an enterovirus outbreak called SEERS with a higher fatality rate than COVID and this time disproportionately affecting children.'

Is something major coming? A fictional view

In the video 'LOCKDOWN: 2025 Official Trailer 2021 Sci Fi <https://www.youtube.com/watch?v=vFq48QU5XjM>', produced back in 2020, 'SYNOPSIS In the shadows of a highly contagious virus, a family seeks shelter in the safety of their own home during a nationwide LOCKDOWN, in which MARTIAL LAW is declared. With nowhere to go

and danger approaching, the family is forced to confront the evil from within before it consumes them all.

An excerpt of the transcript is starting at time 0:02 how do you think the world will end if you knew the end of the world was here. Would you be at home with your family...and the only safe place you know...'

‘THE NEW WORLD: ORDER OUT OF CHOAS
Part XI - A simulation of a future virus known as SEERS 2025 by Fisal Ally
Published in which edition
diverse-city-magazine-CHRISTMAS-2022-2nd_edn-dec27_2022’

Section I - A glance back at Oct 23, 2022, catastrophic contagion simulation

On October 23, 2022, at the Grand Challenges Annual Meeting in Brussels, Belgium, a fictitious scenario of a new virus simulation on Catastrophic Contagion had taken place, carried out by 'The Johns Hopkins Center for Health Security, in partnership with WHO and the Bill & Melinda Gates Foundation' (Ref b). In the video created for this new new simulation (Ref c), at time 2:30 the host Jeanne Meserve of GNN states:

‘Official in 2 Latin American countries alerted the WHO on several outbreaks on a new infectious disease that's mysteriously appearing across the region, Severe Epidemic Enterovirus Respiratory Syndrome (SEERS), 2025.’

The host continued:

‘In the past six weeks alone, there have been 500 confirmed or suspected cases reported. The virus could cause a severe pandemic if early containment and mitigation efforts are not successful.’

At time 1:18 in the video, a map of the northern part of South America is shown and is divided into two sections, an approximately north and south division with two colors. To the north is the orange colored area labeled as Neuva Esperanza and the second half to the south is a yellow area called San Rafael. In the video, a chart is then showed with the number of cases in each region where the cases for Neuva Esperanza continues to grow over a period of six weeks and the cases of San Rafael remains very lower.

Section II - The countries in the catastrophic contagion simulation

In the original map for the two regions in the video, the countries in Latin America are not mentioned. Being originally from that area, I immediately recognized which countries are in the simulation. See Graph 1 above in this report where I created a map with the two regions and also outline one of the main countries not outlined in the original video. The three countries in the simulation are located in South America. The countries are:

Guyana Venezuela Brazil

On the map, a part of eastern Venezuela, which is directly attached to Guyana, a part of northern Brazil also directly connected to Guyana, and all of Guyana area a part of the SEERS 2025 simulation.

Note in map in Graph 1, the bigger dot in Guyana is in the capital city, Georgetown, which obviously indicates more cases. There are also two smaller dots in Venezuela. There's also another dot in Guyana, not too far from where the Jonestown massacre had taken place where most of the people in community, adults and children, were poisoned by their leader Jim Jones and his medical staff by giving them poison to drink and also using syringes to give them the poison, resulting on the destruction and death of the people, except for a few that had managed to escape. Guyana had already seen lots of catastrophic.

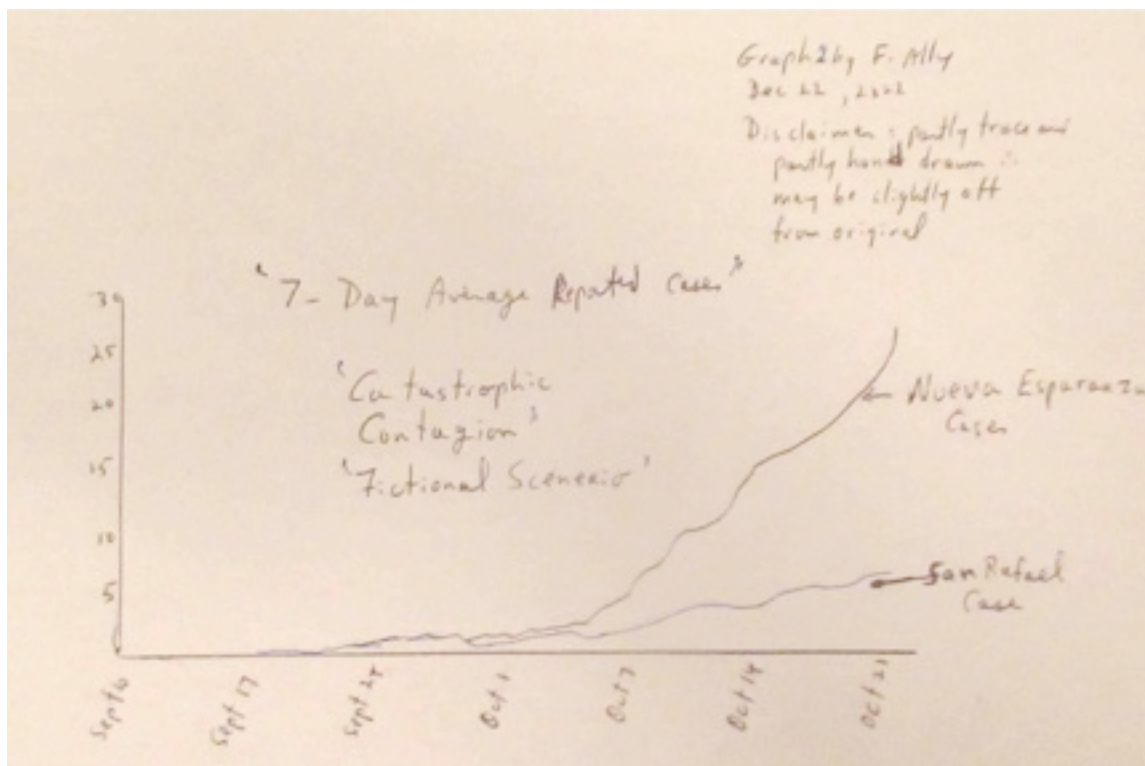

In the video the host says, 'If a new virus called SEERS, Severe Epidemic Enterovirus Respiratory Syndrome 2025 spread across the world. This time a deadly virus that is more infectious than covid it harms more children.'

Section III - Exercise - Participants in the Exercise

In this global exercise that took place in Belgium, there were ten participants in the meeting, who were the 'former Health Ministers and senior public health officials from Senegal, Rwanda,

Nigeria, Angola, Liberia, Singapore, India, Germany, as well as Bill Gates, co-chair of the Bill & Melinda Gates Foundation' (Ref b). One would think that since this simulation involved three countries in South America, that there would have been representatives from Guyana, Venezuela and Brazil that understands the area, which is all a part of the Amazon, but that wasn't the case. Not many in the world would have known Guyana is a part of the simulation based on the two regions on the map that was shown in the video. The only reason I immediately recognized that all of Guyana was a part of the simulation is because I was born in Guyana and lived there as a boy.

Discussions were on 'how to respond to an epidemic located in one part of the world that then spread rapidly, **becoming a pandemic with a higher fatality rate than COVID-19 and disproportionately affecting children and young people**' (Ref b).

Section IV - A new pandemic that could be much worse than covid

In the video the host says, 'If a new virus called SEERS, Severe Epidemic Enterovirus Respiratory Syndrome 2025 spread across the world. **This time a deadly virus that is more infectious than covid it harms more children.**' Why would he say 'if?' Could this actually happen? Are they planning for it, in the way the other simulations such as Monkeypox became a reality. Could it even start in the area of Guyana, Venezuela and Brazil as in this simulation?

How dangerous could such a Catastrophic Contagion become. At time: 24:32 Host of GNN :

"As of today there has been an estimated 1 billion cases world wide with more than 30 million deaths including nearly 50 million children. Many are alive but left with paralysis or brain damage. The most successful countries are those which invested in preparedness and trained for this moment years in advance - this include having pandemic preparedness and response which conducted operational planning and tested those plans through exercises and drills. If more countries have participated and heeded the guidance the death toll might have been much less."

Section V - How dangerous is Enteroviruses

Below are some excerpts taken from Wikipedia at the following link.

<https://en.wikipedia.org/wiki/Enterovirus>

Diseases caused by enterovirus infection

Enteroviruses cause a wide range of symptoms...Enteroviruses affect millions of people worldwide each year and are often found in the respiratory secretions (e.g., saliva, sputum, or nasal mucus) and stool of an infected person.

Enteroviruses can cause anything from rashes in small children, to summer colds, to encephalitis, to blurred vision, to pericarditis. Enteroviral infections have a great range in presentation and seriousness. Non polio enteroviruses cause 10–15 million infections and tens of thousands of hospitalizations in the US each year.

Section VI - Enterovirus D68

In a youtube video dated September 16, 2022 called: **CDC warns about Enterovirus D68, virus raises rare risk of neurologic complications in kids**
<https://www.youtube.com/watch?v=1ssKctNXtc4>

It states, 'The CDC is urging doctors and hospitals to be on the lookout for enterovirus D68 in children. The infection can lead to AFM - acute flaccid myelitis – a disorder that causes extreme muscle weakness.

In the video, Dr. Partha Nani says there's no vaccine for Enterovirus D68. If there are no vaccines for Enterovirus D68, this most likely mean that there's no vaccine for 'Severe Epidemic Enterovirus Respiratory Syndrome 2025' and another experimental vaccine will be forced on the masses.

Section VII - More on Spars Pandemic 2025 - 2028

In the video of Ref e, at time 38:09 looks at another futuristic pandemic by The John Hopkins Center for Health Security' called 'The Spars Pandemic 2025 - 2028 which is a futuristic scenario

for Public Health Risk Communicators at 'The John Hopkins Center for Health Security'. The video states that the assimilation was completed on October 2017. According to Ref c, the outbreak began in St. Paul, Minnesota, and then in other states, and then in Mexico, Canada, Brazil, Japan, and several European countries, and then continued across the globe (Ref c). An upcoming vaccine called Corovax was then released in 2026, and the public was advised to get vaccinated against SPARS, and like covid-19 there were the anti-vax and pro-vax people. As a part of the exercise, 'The Spars Exercise Predicts' giving five of points. In the exercise, the

vaccine used in the simulation is called Corovax.

Below are two points from the exercise with comments (see Ref e): 1. Parents of children whose children suffered neurological symptoms (due to vaccines) will file lawsuits. 3. "Demanding removal of the liability shield protecting the pharmaceutical companies responsible for developing and manufacturing Corovax" - driven by a lawsuit. Comment below is: 'Wow. So they will admit to the fact that there are innumerable side effects and issues, but nobody cares. This sounds awfully familiar as to what is happening right now.' On P. 64 of the simulation states: 'It was further recommended that Secretary Nagel consult with President Archer about the possibility of acknowledging the emotional toll of SPARS during a future public appearance

Conclusion:

Can the Severe Epidemic Enterovirus Respiratory Syndrome (SEERS) 2025 become a reality? In the simulation, there's no vaccine. Will another experimental vaccine be pushed on people?

After the covid-19 vaccines were rolled out, according to VAERS (the vaccine adverse effect reporting system) thousands were reported as having died after taking the vaccine and many also became injured. About a year after the Monkeypox simulation, Monkeypox was identified in the public. Will SEER 2025 which was ran in October 2022 become a reality? Out of chaos should come order but we're seeing lots of deaths and injuries after the roll out of the covid-19 vaccines. SEERS 2025 is suppose to be much worse than covid-19. Will it also destroy the Guyana oil industry, as Biden goes to Venezuela for oil, and also states that oil will not be needed in the future?

Tricks of the Shaitan (Satan / Devil)

By Faisal Ally

(Most of the information in this report were posted on www.allymedia on August 20, 2024 at 8:05pm. Some of the information are rearranged in this report and updated, along with new information)

Introduction

This report is on Satan, but in the Christian's view, Satan is a fallen Angel, which is very different from Islam's view of Satan. In Islam, Satan is a Jinn and has a name; his name is iblis and in Islam, he is called the Shaitan.

'The Shaitan, also known as Satan or the devil, is a central figure in various religious traditions, including Islam. The Shaitan's primary mission is to mislead and tempt humans away from the path of righteousness.' (Ref 1)

A lot of the information in this report are common to Muslims. Thus two references are provided with excerpts from the videos. The two references uses are presented here and also at the end of this report.

The Story Of IBLEES & His Army - Exposing The Devil's TRICKS & MAGIC (One Islam Productions); <https://www.youtube.com/watch?v=45LMPrIxMIQ>

Who is Iblis

Iblis is a jinn who was highly amongst the Angels in heaven. Angels only worships God, where as Jinns have free will. God made Adam as a viceroy for Earth and Iblis became jealous and arrogant and caused Adam to eat from the tree, even though God told Adam not to go near the tree. Both Adam and Iblis were expelled from heaven and to earth, where Iblis would cause a lot of corruption, and where he would have an army to carry out evils.

The YouTube vide, The Story Of IBLEES & His Army - Exposing The Devil's TRICKS & MAGIC (One Islam Productions); <https://www.youtube.com/watch?v=45LMPrIxMIQ>' (ref 2) states, He (Iblis) accursed devil iblis has a very interesting story iblis has free will.

At 0:22 ref Y says, '...mankind and jinn have free will they have the ability to decide whether or not they want to do right or wrong not.' '...every jinn is a shaytan jinn is a creation like us and

they are muslim jinn they are righteous jinn there are good jinn worshipping jinn and they're also evil jin and the evil jinn are called shayateen...' (ref 2)

At 1:17 into the video (ref 2) says 'iblis used to hang out with the angels because the angels are the top of praise of allah.'

Bnd because Jinns had free will, Iblis could have matched the angels or be better. And so he was, until he was tested by God, when God created Adam to be a viceroy on the Earth, and this is when Iblis became arrogant and rebellions, saying that he is better than Adam because he is made of smokeless fire where as Adam was made of Clay and he refused to bow to Adam when God commanded the Jinns to do so.

Definition of the shaitan

Assaad says (ref 1) 'the shaitan means literally in Arabic, anyone who deludes someone from truth to falsehood, and anyone who deludes someone from good to bad, from benefit to destruction.'

He says 'the shaitan can be in three different creatures'

- 1 - The first creature is called the JINN
- 2- The second creature is called the HUMAN
- 3- The third creature is called the ANIMAL SHAITAN

THEY ARE TRICKSTERS

HE TURNS PEOPLE AGAINST YOU to make you give up on your practice and work. He'll go and WHISPER TO YOUR COUSINS, TO YOUR FRIENDS, TO THE PEOPLE AROUND YOU. 'He'll whisper to people around you to come and put you off your practice.' (Ref1)

God mentions a category of people who have a similar fate to Iblis (ref 2). Amongst mankind these people exist.

Iblis told God about his plans

God had created Iblis, but Iblis became jealous when God informed them that he had created Adam who is a human being to be a viceroy for the Earth, which was already populated with other beings such as animals and Jinns.

'I am going to lead all of them astray, meaning all of the children of Adam, except your servants among them who are sincere and devout in their heart. They are not hypocrites. They are not liars. They're not dishonest in their promise to you. When they say their word, they stick to it. They repent to you. They are sincere in their hearts. They are truthful in their words. They fulfill what they promised you. When they say the shahada (declaration of faith) they fulfilled it. They pray five times a day. They fast during Ramadan. They obeyed you and did not deny verses in the Quran. They are sincere.' (Ref 1)

'And Allah says go ahead and use all your tricks. God knows exactly what Iblis is thinking. God told him to go and try your best with my servants with your tricks by deluding or associating yourself with their families.' (Ref 1)

While there's evil taking place in this world, God gave us the Quran with messages on how to lead a good life. 'God told us what is right and what is wrong. He also created people who do evil, and we know good from bad.' (Ref 1)

In the way Iblis is being tested, each one of us is being tested. 'So God brings out all this in our hearts in the way he brought it out from Iblis's heart.' (Ref 1)

In the video Tricks of the Shaitan (by Belal Assaad) (reference 1), Belal Assaad gives 8 tricks of the Shaitan. The one presented in this report is the last trick is (trick 8) where he says 'if he can't get you with those other tricks, the final trick of the Shaitan (trick 8) is where HE TURNS PEOPLE AGAINST YOU to make you give up on your practice and work. He'll go and WHISPER TO YOUR COUSINS, TO YOUR FRIENDS, TO THE PEOPLE ARE AROUND YOU. 'He'll whisper to people around you to come and put you off your practice.' (ref 1)

Who and what is the Shaitan?

Both Jinns and Humans are shaitans, doing evil.

The Prophet of Islam talks about the Human Shaitans

Rasul (saw) use to tell us seek refuge in Allah from the shaitan of the JINN and the shaitan of the HUMAN.

A JINN can become a SHAITAN AND REALLY EVIL

A HUMAN CAN BECOME A SHAITAN AND REALLY EVIL,

'There are really BAD FRIENDS who become evil...they got no shame, they worship their desires, and they try to delude you into the wrong place.'

'Remember when we said shaitan, means those who delude you away from the right path. (Ref1)

He will attack you when you are on the straight path

In the hadith in Sahih Muslim, our Prophet (saw) said 'towards the end of times, people calling, but not to Allah. They're calling to Jahannam. And he said that there are Human Shaitan, the hadith literally calls them. These are people, they are of our flesh and blood, but they are the equivalent of the shayteen amongst men.' (Ref 2)

'The shaitan is so devoted to his mission of attacking us on the straight path. The mission of coming at us from the front and from the back and from the right and from the left. (Ref 2)

Allah say every Prophet dealt with situation from Jinn and Mankind.

Allah (swt) refers to the Shaytan as our enemy. When we think of the term enemy we may think of someone who hates us or someone who doesn't like us, or SOMEONE WHO INTENDS BAD OR EVIL FOR US.....WE MAY THINK OF THAT PERSON AS OUR ENEMY. (Ref 2)

Allah (swt) reminds us that before any of those people who have ILL WILL TOWARDS US. WHO WANTS TO HARM US AND TO BRING US PAIN, THAT THERE IS AN ENEMY ON TOP OF ALL OF THOSE ENEMIES AND THAT IS THE SHAITAN.

Quran (35:6) Allah says that the shaitan is most certainly an enemy for you). (Ref 2)

The story of a great Imaam and the shaitan that never gives up

In the video, Assaad mentioned a story of a great Imaam named Ahmad. Assaad said, 'A great Imaam Ahmed...when he was on his death bed, his son heard his father saying not yet, not yet.' After Imaam Ahmad woke up and his son asked him about what he was saying the Imaam explained that 'when I went unconscious, the Shaitan came to me in my dreams, in my Karin, and said to me 'Oh Ahmad, you've escaped me, I tried all my life, but now you've escaped me you're on your death bed and I knew the TRICKS OF THE SHAITAN. He wants me to let my guard down, so I said to him, not yet, not yet.' (Ref 1)

The shaitan never quits, so always be aware of his tricks

'The battle of the shaitan will try right up to the last point that you're breathing SO ALWAYS BE AWARE OF HIS TRICKS.

Assaad spoke of the Karin. What is the Karin. Assaad says, 'A Karin is a shaitan whom Allah (swt) also creates with every human being.' The 'Karin whispers to you and does all those little tricks. That the Karin never leaves you alone.' 'I refer to the Quran and the Quran is the book which told us about him (Karin). The original Bible' also did. 'The Torah' also. 'All the scriptures before' also. (Ref 1)

Fear and vulnerability

Assaad says 'the shaitan always like to put fear because with fear there is vulnerability, so don't be afraid.' (Ref 1)

They are tricksters - What to do for protection

For protection from the shaitans, Assaad said, which is known to most Muslims, to recite the 3 Quls surah, and Ayatul Kursi. He says the 'shaitan can't get through even to believers.' He says 'the shaitan is weak and he had no power over you.' He continues, 'In the Quran, Allah tells us the shaitan is an enemy for you, he is an enemy, so take him as an enemy...Allah is saying the shaitan is not someone you can appeal to...THEY ARE TRICKSTERS, SO HE SAYS TO TAKE HIM AS AN ENEMY.' (Ref 1)

You should not give the shaitan more power than what they were given

The Jinns are created from smokeless fire. They can see us, but we can't see them. Allah says in the Quran, the power of the shaitan is very weak, you should not be afraid of the shaitan, YOU SHOULD NOT GIVE THE SHAITAN MORE POWER THAN WHAT THEY ARE GIVEN....THE ONLY TIME THE SHAITAN OVERCOMES YOU IS WHEN YOU REDUCE YOUR POWER TO LOWER THAN HIS POWER WHICH MEANS THAT YOU GIVE IN AND YOU START FEARING HIM OR HER.

Assaad says, 'Jinns are believers (such as Muslim Jinns), disbelievers and they are atheists and Christians and Jews and everything. (Ref 1)

According to Islam, God tests each one of us in different ways

'Allah (swt) tests us in different ways in order for our hearts to reveal its truth, so we know ourselves and Allah (swt) is fair and only those who deserve his reward will get it and Allah will tests our hearts in different ways.' (Ref1)

'Allah said to him go ahead and DO ALL YOUR TRICKS that you are thinking of. Allah knows exactly what Iblis is thinking. He told him to and try your best WITH MY SERVANTS, AND JOIN WITH THEM IN YOUR TRICKS BY DELUDING OR ASSOCIATING YOURSELF WITH THEIR FAMILIES.

'Allah created Iblis, and Iblis and the shaitan represents evil and wrong.' (Ref1)

‘What is the key’ - Call upon the one who created the devil for protection

Whenever the shaitan comes and GIVES YOU WHISPERS AND TRIES TO ATTACKS YOU AND TRIES TO DELUDE YOU, THEN REMEMBER, CALL UPON THE LORD WHO CREATED THE SHAITAN TO SAVE YOU...'

In the video, The foot steps or the tricks of the shaytan.

THEY ARE TRICKSTERS.

GOD SAYS TO TAKE HIM AS AN ENEMY

And says as a matter of fact, the shaytan always calls you to their group, to their cult, so that you can be among the people of the fire. These are the words of Allay (swt).
