## **Christmas & Precious Holidays 2020**

Another year is coming to an end and many across the globe are taking some time to reflect and celebrate.

### **SPONGE CAKE STORIES**

#### **THE HOLIDAYS ARE HERE CHRISTMAS IS HEAR AGAIN**

Due to the pandemic, it's been very difficult getting the Diverse City Magazines. For the past few years, I have been writing articles called the SPONGE CAKE articles, telling Christmas stories where many are back home stories from Guyana in South America, based on stories told by my mom, aunts, uncles from when they were children. Below are some excerpts from previous magazines.

What's so special about back home Christmas stories is the cultural diversity that existed in the 1800 and 1900s in Guyana in South America. With the development and growth of the New World of the Americas, back in the 1800s, many people from places like Holland, Germany, Britain, France, Africa, Portugal, India, China, Syria/Lebanon and others had brought their cultures and traditions to the in South American continent in Guyana.

#### **GUYANA BOASTS GREAT DIVERSITY IN THE 1800s**

In Guyana, just about everybody celebrated CHRISTMAS; it was a not only a religious celebration, but a cultural celebration, just like the long Eastern weekend, where people from many faiths joined in the Christmas holiday celebration. And this is the reason I wrote a song called Christmas (Christmas Day) many years ago, and from that one song was modified to create a few more holiday songs, which are Precious Holidays, Reflect & Celebrate.

#### **CHRISTMAS IN CANADA**

Like many, my family and relatives also brought the GUYANESE culture and traditions to Canada, England, America and other places around the globe starting back in the 1950s. My dad first came to Canada in 1966.

**“The good times fly! Another year gone by! There's magic in the air.”**

**CHRISTMAS**

Put up a tree,  
turn on the lights,  
there's magic tonight

Have a merry little Christmas,  
and a happy new year

All the best and success  
All the good things life brings  
Follow your passion,  
with a New Year resolution  
Put up a tree, turn on the lights

I'll always remember, Christmas day  
Those moments we share and treasure,  
the things we do together

Taking rides on Santa's sleight  
To see the lights on Candy Cane Lane  
Smile with me, Shout with glee  
Put up a tree, turn on the lights

Christmas day we celebrate our love  
On Christmas day we celebrate

Light up my life, light up the world,  
lets celebrate

It's the love we share, the love that gets,  
so high and higher

All the best and success  
All the good things life brings  
Sing a song and clap along,  
here we go under the mistletoe

Smile with me, shout with glee,  
put up a tree turn on the lights  
Christmas we celebrate our love,  
On Christmas day we celebrate

Christmas day we celebrate our love, Christmas day we celebrate

## PRECIOUS HOLIDAYS

The good times fly,  
Another year gone by,  
There's magic tonight,  
So have a precious holiday

Follow your passion,  
with a New Year resolution  
The good times fly, another year gone by

# BOOST IMMUNITY

**My boost juice.** Even before hearing about the covid-19 pandemic, I was already taking lemon and honey after I came down with something about a week before Christmas 2019. I also began adding lime to the juice. Sometimes I leave out the honey. Most days, I take one of these a day or sometimes more depending on how I'm feeling. If I start sneezing, sniffing or feeling that I'm coming down with something, I take 2 or 3 drinks for that day. I also take some Vitamins as recommended by Dr. Ayyadurai for boosting my immune system...F. Ally

Use a straw if too strong and edgy on your teeth

**The covid pandemic,  
lockdown is depressing  
Is your mind too busy?**

**Meditate to quiet your mind and to focus.** Too much to do during the holidays and you just cannot wind down? Meditation is one way to transcend a busy mind. Often our thoughts are automatic, and they trigger all kinds of biological processes, and we have no clue why we become so anxious and behave the way we do.

**Focus on a mantra/phrase or on your breath.** Use a mantra/phrase such as Om shanti shanti, Bismillah, Subhanallah, or one of your own; there are many on the internet. If your mind and thoughts are on such a phrase then your thoughts are not on the trivial matters that stress you out. Get things off your mind by writing them down and prioritize them to complete them.

**Start repeating your mantra/phrase.** Your thoughts will drift, so catch yourself and start focusing and repeating again. Then slow down the phrase and let the silence between the phrase widen, and as you repeat your phrase let the silence grow until the phrase fade and you are in a state of silence. Remain in silence as long as possible. Your thoughts will return. Start repeating your phrase. Continue for about 20 to 40 minutes a day.

## Medical complaint

You feel that something isn't right with the way you, your loved ones, or someone you know is being treated? Do something immediately.

Don't let it slip

Let others know / keep a log and records of names

### **Who to contact**

Floor manager

Patient Relations

College of Physicians (Normally you only have a year to file your complaint)

Make notes, get names, log new medications provided, and old ones removed and or replaced. Understand the medications and why they are needed and for what problems. If any is removed understand why and if it's not clear as to why, take action and find out immediately. Don't sit back and let others harm your love ones, family, friends and relatives.

**In Emergency** - Know your medications. Enquire about medications. Are any being removed and why? What are the replacements, if any? If no replacement, find out why? If something does not seem right it's important to keep a record of medications, doctor name(s), people you spoke to. Having witnesses are very important for future references.

**MADE BY FISAL ALLY**

**GUYANESE COOKUP RICE**  
**No oil, no grease**

## Guyanese cookup rice using blackeye peas

Serves 12 Serves 10 to 12; Preparation time 1/2 hour; Cooking time - 1 hour to 1hr 15 minutes

Ingredients: 1 chicken, 2 cups blackeye peas, 2 and 1/2 cups rice, 1/4 cauliflower cut up, 1 bunch broccoli cut up, 5 carrots peeled and sliced, 8 small hot red peppers, 4 cloves garlic, 1 and 1/2 onions, 1/2 red and 1/2 green bell peppers, add salt to taste. Spices: Paprika, black pepper, oregano leaves (can use other spices and vegetables)

Instructions: Only use pot similar to one in picture below. Must use safety precious by using oven mitts. See pictures below. Add 2 cups blackeye peas in water overnight to soften peas. Will cook in the oven. Keep cover on at all times while cooking in the oven. Blackeye peas will take the longest to cook. Periodically check for softness of blackeye peas.

Wash chicken and cut up and mix with parrika, black pepper and oregona leagves. Wash vegetables and cut up. Slice garlic and onions. Salt to taste or you can leave out salt. Add spices to give taste.

Add 6 cups of water to pot. Add 2 1/2 cups rice to pot. Add blackeye peas to pot. Keep peas at the bottom in the water. Add chicken. Add vegetables and spices as mentioned above and mix it, but keep the blackeye peas at the very bottom so they cook faster. Follow a similar plan as below. About every 20 minutes put on mitts take out pot and check.

Set stove to 200 degrees Celsius and let the contents cook for 40 minutes. Check contents. Water will start drying down. Turn stove to 200 degrees Celsius and keep cooking for 10 minutes. By now rice, chicken and vegetables will be cooked, but the blackeye peas still a bit hard. Simmer by setting stove to 160 degrees for about 15 minutes. Check peas for softness. If still not soft, continue simmering for 30 minutes at 150 degrees Celsius. Peas should be soft now, if not soft continue simmering and check for softness about 10 minutes later etc...Another option is to first boil peas in a pot until soften. If peas are soft then cooking time will be about 45 minutes less.

# Music Festival

## A yearly tradition with Faisal Ally The Music Goes On! There's no stopping!

### MY YEARLY TRADITION: SUMMER FESTIVAL

Every year, I play some music, which is basically playing instrumental lead guitar and strumming the guitar and singing some tunes. I have made it a tradition where in the summer on August 9 or around that time, when many festivals are taking place around the city. I would play about 20 cover tunes or more, just singing and strumming the guitar. Sometimes I do instrumentals playing lead guitar. This year in 2020, I was planning to get together with friends from my teenage days such as James and Wade, but the pandemic prevented us from getting together. So I continued playing on my own at home, in my home studio known as Ally Studios and once called BackAlly Music (BackAlly Studios). With this festival, I play cover tunes and my original songs, but it's mostly cover tunes, going back through time.

*Pictures taken in August 2020*

### This 2020 summer festival was BEATLES & ELVIS

I played 10 Elvis and 10 Beatles songs. And I did grow the side burns and played my Gretsch guitar, the make of guitar, which George Harrison of the Beatles played.

### DURING THE 2020 HOLIDAYS

Some instrumentals such as Samba Pati and Sultan of Swings, and also some other songs

### ORIGINAL SONGS WRITTEN BY FISAL ALLY

I first had a taste of playing the guitar at age 12 in Toronto while living on Weston Road, where Tony Reis also originally from Guyana and of Portuguese background had shown me some chords and small tunes. It seems like the Portuguese in Guyana enjoy playing the guitar, as I do have a friend from Guyana of Portuguese background that that plays the guitar really good. That's how I began playing the guitar, and not long after I would start making up songs which went on for decades. But in 2011 in Edmonton, Alberta, Canada, strange things to me and my music when others found out that I had written about 100 songs and about 15 books, and I began hearing a lot of what I believe is my original work in the mainstream music and publishing...Faisal Ally

Below is a list that's been uploaded so far. There may be errors in naming the links with words and the year and in the future when time permits corrections will be made. My goal was to just get the songs uploaded since a few people had asked where are those songs I have been writing about. ## **SIMILARITIES SECTION**

I have been writing in books and in the Diverse City Magazine that starting in 2011, but never before, I began hearing similar work to my songs and literature in the mainstream music and publishing business. I'm mostly speaking of samples, such as small catchy parts, which are inserted into mainstream music to make songs catchy and or give in some kind of character. I had magazines published in the 2000s and I was also writing in the 1990s, yet I never encounter any similarities, else I would have already written about it back in the 1990s and 2000s. It was in 2011 when I began to get bullied in Edmonton, Alberta, Canada and also after putting a CD in someone's hand who claims to know everything about music and is a producer. Since then I have been researching on similarities...Fisal Ally

### **POSSIBLE SIMILARITIES**

**I have been speaking about my research in similarities for at least 3 to 4 years now, collecting information on similarities to my original songs, music and literature, which all began in the year 2011, but never before even though many of these songs were already in existence for a few decades.**

In the past I have written on similarities of songs like 'Just A Kiss' to my song 'A Kiss Goodnight' and '24 Karat Magic' to my song 'True Love'. In these two songs, what I noticed is almost identical lyrics to my song, but where an extra word or two was added in front of what looks like my original song lyrics. If you've worked on a song for weeks, months and every a year or years, you are going to recognize your work anywhere. And what makes me so certain about this is, the melodies are very similar to mine. Both the lyrics and melodies area almost identical, so there's no getting away for any of this. Not only in these two songs but many songs that came out around that time. And often enough when I post something relating to similarities, someone would send me a message trying to rebuke what I'm saying. Why should that person even care? Doesn't that sound fishy and suspicious? I've saved all of those messages. How would that person know when I post similarities, unless that person has something to hide and is guilty about something and therefore is tracking me on everything I do and to silence me, and it's no doubt that it seems to be the same person is doing it all the time...Fisal Ally

### **A Possible recent similarity explained below**

Many of the similarities are recorded immediately and posted online. What's already posted online is copied and paste below. In this case I only heard the song once when it all of a sudden appear in my YouTube or Recommend view? Why would it suddenly appear out all of the songs that's coming out. Someone's obviously trying to tell me some thing. I do not need to listen to the song again. What's below is what I wrote initially. I may add some notes, and it will be in brackets...Fisal Ally

## **POSSIBLE SIMILARITIES (SAMPLING) OF MY SONG 'RAIN GO AWAY'**

**I believe that Rain On Me sang by Lady Gaga & Ariana Grande has SAMPLED MY SONG 'RAIN GO AWAY'**

Rain Go Away posted on April 20, 2020 on [www.allymedia.ca](http://www.allymedia.ca) / [www.fisalally.com](http://www.fisalally.com)

Rain On Me released around May 22, 2020 as a single

### **SEE INFO BELOW**

Fisal Ally...May 22, 2020

Below I exactly what I wrote back on May 22, 2020 and update May 29, 2020 to reword

#### **HERE ARE THE SIMILARITIES (SAMPLING)**

Rain go away, go away, Rain go away, go away (this is later in the song)

Rain on me, rain rain Rain on me, rain rain

*(The above happens later in the song...Fisal Ally...Dec 24, 2020)*

Rain Go Away (this is the first time I sang this part near the beginning)

Rain On Me

(The above happens immediately after I sang the first verse, and the complete lyrics are 'Rain Go away, come another day.' So the first part of the line is sang like Raaaaain Go Awaaaay, and the similarity is song like, from what I recall as 'Raaaaaan On Meeee.' So sampling is about selecting a small part of the song and using it. In songs you can have similar phrases, but these coincidences are too frequent and it's obvious based on a number of factors, which I will explain another time. It's too frequent and it all began in the year 2011, as if someone's not only out to capture all my work, but he or they are out to harass me because of my background.

If you listen to other Lady Gaga tunes they do not sound like Rain On Me. She seems to have one style...

#### **I'm looking at 3 similarities to my song Rain Go Away. I already mentioned one above**

The first similarity is actually from about 2 years ago when I believe that it was a commercial for a Big Tech company that had a hook similar to the ending part of Rain Go Away.

Another similarity to Rain Go Away is below and is posted at <https://allymedia.ca/f/similarities>

November 3, 2020 around 7:20 pm while watching CBC News, 15 CBCNN on US November 3, 2020 election.

What I believe I heard from a commercial is lalallalaa shine on, lalallalaa shine on

Where I typed lalallalaa, i did not catch the words

In my song Rain Go Away, the lyrics are shine on you shine on, shine on you shine on.

This song is posted on [www.allymedia.com](http://www.allymedia.com) under the Music tab.

Play it for me once more CBC and hold on to your hats.

Nov 3, 2020 around 9:52pm while watching 6 KREM on the US Nov 3, 2020 election.

Highlight on screen: 'BATTLE FOR CONTROL'

I believe I heard the person said 'Battle for control of the US Senate'

My article posted on [www.allymedia.com](http://www.allymedia.com) is called 'The Battle to Control Humanity's Bloodstream'

## **SOME BACKGROUND INFORMATION**

Below is an excerpt from [www.allymedia.ca](http://www.allymedia.ca) posted on or around December 20, 2020.

‘When I started the Diversity City Magazine, I had to hide in parking lots for hours and days in the cold in my car trying to write articles as I was under attack in real time while writing articles and when I save my work, I would find my information changed and its still happening today, that I now have to write fast and simple using lots of quotes and links instead of being creative and thus there are errors. It's a wicked world we live in.’

‘Edmonton is rich in islamophobia which I believe began around 2010 (but goes back to 911 in the year 2001) but got worse as multicultural began to sky rocket around 2010 in Edmonton with many Syrians, Filipino, Africans, Muslims etc..coming into Edmonton. **THAT'S THE TIME WHEN THE HARASSMENT BEGAN.**’

.....’It's not my neighbors and friends, nor the average people on the street or average working folks. It seems to be coming from people directly within the establishment and who knows people that have that kind of power that they can track individuals like myself to have us harassed and plot against us to destroy our lives. I'm shock that this is what goes on in Edmonton.’ ...Fisal Ally

*A hacker at work, hacking you - he is wicked, deceitful and two-face. He resonates with wickedness. He is a deceiver, thinking that he will never be held accountable for his wickedness, but he's the one that has been been deceived...*

*They secretly scheme and plot against you. They carry out their wickedness and they will shift the blame on you and have you framed. But they've been deceived all of their lives, even though they are afraid to admit it. Illegal activities like conning the elderly out of their life savings, stealing people's invention, literature, songs, music and having our work and ideas published before the owners (we) do and then they scheme to frame the owners for plagiarism out of their evil and wickedness.*

You do not have to be online or be connected to any service to be tracked. And you don't have to do anything wrong to be tracked, hacked and robbed by deceitful, conniving, two-faced criminals.

# A KISS GOODNIGHT

*Music and Lyrics by Faisal Ally, Copyright 1990s to present*

Everyone wants someone to hold them tight and make things right

Everyone wants some one to kiss goodnight

Everyone needs a friend, they can count on to be around

Everyone wants someone to kiss goodnight

A kiss goodbye in the morning, to hold you tight in the evening

Everyone wants someone to kiss goodnight

With some tender love and tenderness, a hug and a kiss goodnight

When the night gets too cold, it's good to know that someone cares

Everyone wants some one to say goodnight

With some tender love and tenderness, a hug and a kiss goodnight

Everyone needs someone to lean on, when life gets them down

Everyone wants someone to show they care

Everyone needs a friend they can count on to be a round

Everyone wants someone to be their valentines

A kiss goodbye in the morning, to hold you tight in the evening

Everyone wants someone to say goodnight

With a kiss goodnight

A kiss goodnight

(A) kiss goodnight
