

Who do YOU know? - Personal Relationship Profile

Name:

Voting Address:

Phone Number:

Email:

An organization's mission is greatly enhanced through connecting volunteers more directly with decision-makers and other opinion leaders in the community. Your personal relationships with influential individuals across the country can greatly improve our chances of success. If you know someone on a first-name basis, you're a "grasstops" connection! *Please complete this information if you would be willing to reach out to your personal contact to advance our campaign.*
