HULL

- Offers absolute control and an extremely smooth ride under all weather conditions
- Transom of 23°
- 3 ventilating steps for higher speeds and improved fuel efficiency
- Designed exclusively for outboard motors

DECK

- In one word, the deck design ensures, versatility
- Wide range of amenities, those of a much larger vessel
- Ample seating and lounging space
- Comfortable while cruising, enjoyable when at anchor
- While Rock 36's deck is designed for maximum comfort, the nautical character of a RIB is maintained

SOCIAL AREAS

Comfortable while cruising and enjoyable when at anchor, Rock 36 lets you relax and unwind in its spacious social areas. Have fun on the water with your loved ones, share the excitement of watersports or enjoy a late afternoon cocktail with friends. Create memories that will last forever. The possibilities are endless.

CRAFTING SEA DREAMS

THE HELM

- Highly ergonomic helm station
- Wide range of electronic equipment to suit every need
- Pilot and co-pilot seating with ShockWave suspension for an even smoother ride

THE CONSOLE

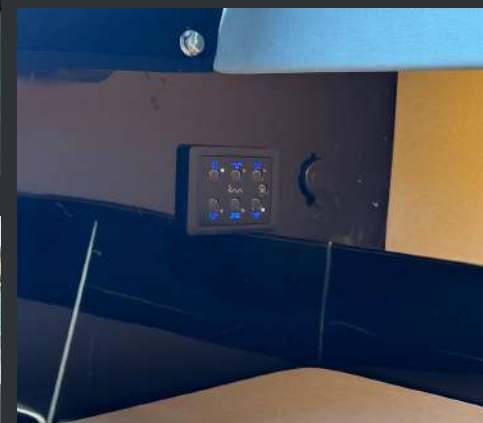

- Besides the highly ergonomic helm station, the console offers additional seating and a spacious W.C. area
- The W.C. operates with salt water and a black water tank
- A granite basin for handwashing is also available

FORE CABIN

Under the fore sunbed, lies a hidden space that thanks to an awning can be transformed into a spacious sleeping cabin for two. It can also be transformed into a living area, by just removing the central part of the surface or into a storage compartment with lockers under the seats that keep everything organized.
