

Dear Mr. Guzman & Crew

Before we hired GCI to replace our roof and gutters we got several estimates.

One Company was almost \$6,000⁰⁰ higher.

No one but, Mr. Etienne, the estimator, identified the mold in the wood.

GCI's mold and asbestos people came dressed in their white suits and mask and fixed the problem.

No wonder they have a ~~A~~ rating with the BBB.

I am happy and satisfied Customer

Thank you!
