

# WELCOME BACK!

Check our **DONATION CENTER** status any time at:  
[www.HungerFreeMHC.org/status](http://www.HungerFreeMHC.org/status)

Lots of people have taken advantage of quarantine-time to clean out their closets.

While we appreciate every offer of donations, sometimes we have to limit large quantities or temporarily close to catch-up on our work.

If we can't use it, we have to refuse it. Please don't be offended if we decline your donation. Donors routinely leave items we cannot use which costs us thousands of dollars a year to dispose of. **Please donate responsibly.**

Our donation guidelines can be found on our website.

Donating to our cause is easy and safe with our new self-service “no contact” donation center!

Easy As

1 - 2 - 3

1. Before you plan to bring donations, check our guidelines to make sure we can use everything you plan to give us.
2. Box or bag your items. *It helps us keep things organized and safe during processing!*
3. Confirm our center’s status to ensure we’re ready for you.

**Tax receipts for 2021 are readily available in a document holder attached to the wall of our center.**
