Grand Lodge of the F&AM of Lebanon

Grand Master
M.W. Brother Raffy H. Timonian

Dear Brother Raffy,

On behalf of the MW Bro. Slobodan Kuvalja, Grand Master of the Grand Lodge of Croatia, all the Brethren in Croatia and my own name, let me express our profound condolences following last Tuesday's terrible accident in Beirut. Horrified and saddened of the devastation of the city caused by that catastrophic explosion, it is hard finding proper words to express our concern and sorrow for the loss of so many lives, thousands of the injured and hundreds of thousands of the people who lost their homes. Please convey our sympathy to the families of the victims and our best wishes for the recovery of the injured.

We are aware that international solidarity will show its human face this time again as usually and offer you needed help to begin the healing process and to recover the city as quick as possible, enabling you a normal life again.

Sincerely and Fraternally Yours,

Zvonko Jadrešin
Grand Secretary
