Seasons Greetings,

The holidays can seem especially draining this year with all that is going on. Throughout this season, and as we move into a new (and hopefully better) year, we wish you moments of peace amid the difficulties, connections with family and friends even if they can't be in person, the warmth of memories from holidays past, and wonderful glimpses of the joy that still lives under the surface.

It is doubly difficult because we all miss our usual means of support, the comfort of gathering with friends and family, and worship services that are part of our traditions. We are here for you through it all. We wish you endurance, strength, health, and as much happiness as

these times can allow!

Tracy, Rob, Julie and Paula

P.S. We have great things planned for 2021 and are excited that you are a part of our family.
