AAT DIPLOMA IN ACCOUNTING – LEVEL 3

What does the qualification cover?

The AAT Diploma in Accounting covers a range of complex accounting tasks, including maintaining cost accounting records and the preparation of reports and returns.

It comprises of 4 mandatory units:

- Financial Accounting: Preparing Financial Statements (FAPS)
- Management Accounting Techniques (MATS)
- Tax Processes for Businesses (TPFB)
- Business Awareness (BUAW)

Students will learn and master financial processes including accounting principles and concepts, advanced bookkeeping and final accounts. They will also understand business issues regarding value added tax (VAT) – (which may be known by another name in other countries), issues in business, management accounting costing techniques and ethical practices for accountants. This qualification further delivers software skills through spreadsheet training for accounting. All of the units within this qualification are mandatory. Four units are assessed individually in end of- unit assessments. This qualification also includes a synoptic assessment that students sit towards the end of the qualification, which draws on and assesses knowledge and understanding from across the qualification.
