

Dear Prospective Supporter,

August 2018

Kalama Youth Football would like to ask for your support in making this year's football season a great one. Donations help Kalama Youth Football League in the effort to provide safe and fun environments for our children to play football, where they'll develop character and confidence along with the skills of the game.

We are a Public Charity 509(a)(2) where donors will be able to deduct contributions they make to our league. We are an all-volunteer board. Your generous contribution will fund equipment, uniforms, new gear and scholarships for the players that need a little help.

Show us your support by choosing one of the following options:
