****Please contact the school to set up an appointment for a Preschool Screening. Children must be between the ages of 3 to 5 years on the day of their scheduled appointment. A child can attend a Preschool Screening at any school if a particular date or location is more convenient. The home district students take priority in their district. WOVSED will send your child's screening results to your school district. Preschool Screening results are valid for 6 months. If your child does not attend preschool within 6 months of their Preschool Screening date, another Preschool Screening is required for enrollment to preschool.**
