

April 2022 Reiki Newsletter

Hello,

Hope that all of you are doing well. This month, I am so excited about the newest compilation series. Have never done a compilation series and hope that all of you enjoy it. Am working on the minor chakras and there will be a series of 4 minor chakras compilations. At the end, hope to do one large compilation of all the minor compilations combined. Then (wish me luck), want to add that video to one of all the major chakras. The minor chakra compilation as well as to the one with the major chakras. This will be the strongest videos ever on my channel (perhaps all of YouTube!) My goal for the channel is to keep the shorter videos for all who just need a few minutes at a time (these are 8 to 10 minutes each). Then there will be the longer videos (18 to 20 minutes each) for those who can handle more. Finally, will have the hour long compilations that will be the strongest videos yet. If this series goes well, will try to create more series, but want to see how all of you like them first.

There will be a livestream on Saturday, 4/23/22 on my **YouTube** channel at 1:00pm est. What is great about the livestreams is that they carry Reiki and are a fun way to receive the energy. The games are to help you recognize the different way that you may pick up psychic messages. Richard is joining me for more psychic games and we look forward to meeting with everyone who can

make it! If you can't make it, the replay will be on the channel.

Since many enjoy the psychic games, am thinking of making compilations of them. If you are interested in a psychic game compilation/s, let me know when you sign up for the free Reiki (email found in the Free Reiki session) or through the Contact Us page on the site.
