

July 2020 Reiki Newsletter

Hello,

Hope that all of you are doing well.

There is so much change happening in the world that it is hard to keep up. I know energetically it has been challenging to say the least. To help me deal with all the changes, I've been using salt scrubs for days when I have to go out, doing more yoga, and connecting with guides which are things helping me at the moment. Yes, I'm also sending more Reiki which not only helps me, but others as well.

As many of you who follow me on social media know I have several practitioners I work with who are also trying to make the world a better place. [Dawn Tarr - Scott](#) has a channel where her beautiful artwork is infused with Reiki. [Richard Bruce of Know Thyself Reiki](#) has been offering free Reiki on Friday nights during the month of July. Hope you get to experience the Reiki they share like I do!

Blessings,
