

November 2022 Reiki Newsletter

Hello,

Hope that everyone is doing well. Want to thank everyone that is coming to my impromptu livestreams. My goal with them is to communicate with more people and let you experience different types of energy not always on my [@RestRelaxationReiki](#) channel. To receive a notice about when I do them, click on the subscribe button and then the bell to receive updates as to when they come out.

Since starting [Transformational Vibrations](#) have had the creative juices really flowing. The universe had been telling me to start the channel a while ago, but it wasn't till this past month, that the universe said it was now or never. Am looking forward to sharing more videos with all of you that can help catapult the energy healing to another level.

November in the US is a time when we focus on Thanksgiving. Gratitude is the theme and for me I feel grateful for everyone that lets me share Reiki with them through session, classes, videos, and/or photos. I also appreciate all the kindness and generosity many of you have bestowed on me through gifts and/or heartwarming thoughts.

Although there is usually a livestream scheduled on a weekend, that may not be possible this month. Will try to add in another impromptu livestream instead.

Thank you for letting me share Reiki with you!

Pet Reiki Session

Many people don't realize that pets not only benefit from Reiki, but love it as well. Pets enjoy the energy and receive it happily. All pets (birds, cats, dogs, horses, snakes, etc...) can receive Reiki. Like humans, they feel better physically and energetically when they receive it. Many of them are grateful for the Reiki, because it allows them to communicate something in their sessions to their owners.
