

September 2020 Reiki Newsletter

Hello,

Hope that all of you are doing well.

Many businesses grow and change over time, and mine is changing as well. Although I like to communicate with everyone, the time has come where I can't respond to the vast amount of emails and social media comments being received from the public. Moving forward, there will be a link to the **Contact** page on my site where people can submit general questions. Although I can not respond to each inquiry individually, general energy questions asked will be responded to in upcoming newsletter and livestreams. The questions picked will be chosen by guidance from the universe on what most people need at the time. Most questions are already answered on my **Frequently Asked Questions Playlist** as well as on my website's **FAQ** page. My team will be responding to specific questions about services within 48 hours.

This change will not affect my students. They can continue to submit questions that I will answer as their mentor on their Reiki practice.

Livestream Saturday September 5th

Will be doing a livestream on my **Youtube channel**, this Saturday, September 05, at 12pm est. Looking forward to speaking with all who can make it!
