Hotel Casa Oliveros is strategically located on one of the streets adjacent to the Main Park of the municipality of Rivera in the Department of Huila in Colombia and was built in an old bahareque house, which was restored for this purpose, as a strategy of sustainable use of a valuable element of the cultural heritage of the place.

It retains the constructive style and some objects of use and added decorative elements, gardens and furniture that harmonize with what has been usual in the cultural traits of the traditional families of the town.
