Respondents.	§	

ORIGINAL COMPLAINT

Plaintiff, Sport Shots, LLC, files this Original Complaint against the Respondents in the attached Exhibit 1, and alleges as follows:

PARTIES

1. Sport Shots, LLC ("SS") is a foreign corporation organized under the laws of the State of Wisconsin with its principal place of business in Milwaukee, Wisconsin 2131 E Birch Dr. Oak Creek, Wisconsin 53154.

2. The currently-known Respondents are comprised of individuals, business entities of unknown makeup, or unincorporated associations, each of whom, on information and belief, likely reside or operate in foreign jurisdictions, or redistribute products from the same or similar sources in those locations, including those identified by name or alias on the attached Exhibit 1 (collectively, "Respondents").

3. Respondents operate through domain names and interactive commercial webstores (the "Infringing Webstores") hosted on various e-commerce platforms, such as

Alibaba, AliExpress, Amazon, eBay, Fruugo, Shein, Temu, and Walmart (the “Marketplaces”).

4. Respondents offer their products for sale to consumers in the United States, including this District, and, on information and belief, have sold and continue to sell products (the “Infringing Products”) which violate Plaintiff’s intellectual property rights to consumers within the United States, including within Texas and the Southern District of Texas.

5. Through their illegal operations on the Infringing Webstores, Respondents are directly and personally contributing to, inducing and engaging in the sale of Infringing Products, and on information and belief are doing so often as partners, co-conspirators, or suppliers.

6. On information and belief, Respondents are an interrelated group working in concert to knowingly and willfully manufacture, import, distribute, offer for sale, and sell Infringing Products.

7. Respondents conceal their identities and the full scope of their infringing operations to deter Plaintiff from learning Respondents’ true identities and the exact interworking of Respondents’ infringing operations. The true identities of many of these Respondents are presently unknown.

NATURE OF THIS ACTION

8. The Respondents are infringing on Plaintiff’s trademark and copyrights.

JURISDICTION AND VENUE

9. This is an action for counterfeiting under 15 U.S.C. § 1114, Unfair Competition and False Designation of Origin under 15 U.S.C. §1125(a), and patent infringement under 35 U.S.C. § 271.

10. This Court has subject-matter jurisdiction over these claims pursuant to 28 U.S.C.

§§ 1331 and 1338(a) because this is an action arising under the laws of the United States and relating to patents and trademarks.

11. This Court has personal jurisdiction over Defendants because each Defendant has, through one or more fully interactive commercial Internet websites, pursued sales from Texas residents by offering shipping to Texas, see Exhibit 2, and, on information and belief, has induced sales of Infringing Products to residents of Texas in violation of Plaintiff's intellectual property rights. As such, personal jurisdiction is proper because each Defendant is committing infringing acts in Texas and has wrongfully caused Plaintiff substantial injury in the State of Texas.

12. This Court also has personal jurisdiction over Respondents because Plaintiff's claims arise under federal law; the Respondents are, on information and belief, not subject to jurisdiction in any state's courts of general jurisdiction; and exercise of such jurisdiction is consistent with the United States Constitution and laws. Fed. R. Civ. P. 4(k)(2).¹ Personal jurisdiction is thus also proper pursuant to Rule 4(k)(2) because each of the Respondents directs its activities at residents of the United States and the State of Texas.

13. Federal question jurisdiction lies in this Court under US Const, Art III, Sec 2 because federal courts may hear all cases in law and equity under the Constitution and laws of the United States. Similarly, federal question jurisdiction lies in this Court under 28 U.S.C. § 1331 because it is a district court empowered with original jurisdiction over all civil actions arising under the

¹ "For a State to exercise jurisdiction consistent with due process, the defendant's suit-related conduct must create a substantial connection with the forum State." *Walden v. Fiore*, 571 U.S. 277, 284 (2014); see also *J. McIntyre Mach., Ltd. v. Nicastro*, 564 U.S. 873, 881 (2011) ("submission through contact with and activity directed at a sovereign may justify specific jurisdiction"). Specific jurisdiction only requires a defendant to have "minimum contacts" with the state, rather than the "continuous and systematic" standard for general jurisdiction—the defendant need only purposefully direct its activities at residents of the forum, and the Plaintiff's alleged injury must arise out of or relate to the defendant's contacts with the forum. *Dontos v. Vendomation NZ Ltd.*, 582 F. App'x 338, 342 (5th Cir. 2014).

Constitution, laws, or the treaties of the United States. This is an action for trademark and copyright infringement under the Lanham Act and Title 17 of the United States Code respectively. A registrant has a private cause of action to bring suit under section 32 of the Lanham Act for alleged trademark infringement. 15 U.S.C. § 1114. A copyright owner may bring a civil action against an alleged copyright infringer. 17 U.S.C. § 501.

14. Venue is proper in this District pursuant to 28 U.S.C. §§ 1391(b)(3),(c)(3). Respondents are entities or individuals subject to personal jurisdiction in this District, and Respondents not residing in the United States may be sued in any judicial district.

FACTS

PLAINTIFF'S INTELLECTUAL PROPERTY & PLAINTIFF'S PRODUCTS

15. Plaintiff is the owner of all right, title and interest in and to:
- a. GOLF SHOTS, Trademark, Registration No. 7,577,461, Serial Number 98-35695 (the "Mark");
 - b. Copyright for the following group of published photographs with Registration Number VA 2-449-613/serial number VA0002449613: GBS-2, GBS-3, GBS-6, GBS-10, GBS-11, GBS-12, GBS-13, and GBS-14;
 - c. Copyright for photograph GBS-1 with Registration Number VA 2-449-614/serial number VA0002449614;
 - d. Copyright for photograph GBS-4 with Registration Number VA 2-449-615/serial number VA0002449615; and
 - e. Copyright for photograph GBS-5 with Registration Number VA 2-449-617/serial number VA0002449617

(collectively the “Marks and Rights”) See Ex. 3 hereto.

16. The Mark and Rights are valid, subsisting, unrevoked, and uncanceled. The registrations for the Mark and Rights constitute prima facie evidence of validity and of Plaintiff’s exclusive right to use the Mark and Rights pursuant to 15 U.S.C. § 1057(b).

17. Plaintiff displays Golf Shots® and © 2025 on its company website.

18. A genuine and authentic copy of the U.S. federal trademark registration certificate issued by the United States Patent and Trademark Office, as well as the Copyright Registration Certificates for published photographs (the Mark and Rights being the “Plaintiff IP”), are attached as Exhibit 3.

19. Plaintiff is engaged in the business of selling Golf Shots® products throughout the world, including within the Southern District of Texas (collectively, Plaintiff’s “Products”) under the federally-registered Mark and Rights. Respondents’ use of the copyrighted photographs and the name Golf Shots® to sell Infringing Products in violation of Plaintiff’s IP is irreparably damaging Plaintiff.

20. Plaintiff’s brand, symbolized by the Mark and Rights, is recognized as a symbol of the use of an alcohol container of approximately 1.5 fluid ounces in the form of a golf ball as an alcoholic beverage container. As detailed below, Plaintiff has been using the Mark and Rights for many years in connection with the advertising and sale of Plaintiff’s Products in interstate and foreign commerce, including commerce in the State of Texas and the Southern District of Texas.

21. The Mark and Rights have been widely promoted, both in the United States and throughout the world. Consumers, potential consumers, and other members of the public and the retail industry not only associate Plaintiff’s Products with exceptional materials, style, and

workmanship, but also recognize Plaintiff's Products sold in the United States originate exclusively with Plaintiff.

22. As of the date of this filing, Plaintiff's Products are sold globally in retail markets and via the world-wide web.

23. Plaintiff maintains quality control standards for all of its Products. Genuine Products are distributed through a worldwide network of distributors and retailers, as well as Plaintiff's primary website located <https://drinkssportshots.com/> ("Website"). Sales of Plaintiff's Products via the Website represent a significant portion of Plaintiff's business. The Website features proprietary content, images, and designs exclusive to Plaintiff. Attached as Exhibit 4 are representative examples of Plaintiff offering its Products in connection with the Plaintiff IP for sale on its Website.

24. The Mark and Rights are highly visible and distinctive worldwide symbol of excellence in quality and uniquely associated with Plaintiff and, as a result, Plaintiff's Products bearing the Mark and Rights and subject to the Patent have generated significant revenue over the years.

25. Further, Plaintiff has expended substantial time, money, and other resources developing, advertising, and otherwise promoting the Products in connection with the Plaintiff IP.

RESPONDENTS' INFRINGING ACTIVITIES

26. Upon information and belief, at all times relevant hereto, Respondents in this action have had full knowledge of Plaintiff's ownership of the Plaintiff's IP, including Plaintiff's exclusive right to use and license such intellectual property and the goodwill associated therewith.

DAMAGES

27. Plaintiff has suffered the loss in fair market value of the copyright valued by the profits lost due to the infringement or the value of the use of the copyrighted work to the infringer. Therefore, Plaintiff seeks actual damages suffered as a result of the infringement and any profits that the infringer made that are attributable to the infringement and not taken into account in computing actual damages. 17 U.S.C § 504(b).

28. To the extent that Plaintiff cannot establish or makes the election not to pursue actual damages, Plaintiff seeks statutory damages for copyright infringement pursuant to 17 U.S.C. § 504(c).

29. Respondents have violated Plaintiff's registered trademark causing damages for which Plaintiff may obtain relief. 15 U.S.C. § 1117(a). As a result of the violation, Plaintiff seeks injunctive relief to stop the infringement and disgorgement of the Defendants' profits, actual damages, reasonable royalty, attorney's fees and costs. 15 U.S.C. § 1117(a).

30. Respondents knew or should have known of the trademark and copyrights held by Plaintiff that would have been discovered with minimal due diligence. Therefore, the infringing conduct was committed willfully entitling Plaintiff to enhancement of the statutory damages.

ATTORNEY'S FEES

31. Respondents' infringement has caused the Plaintiff to seek and incur the cost and expense of legal services to prosecute this matter. Therefore, Plaintiff seeks attorney's fees under 17 U.S.C. § 505.

32. Respondents' flagrant and careless violation of Plaintiff's trademark is exceptional for which Plaintiff seeks reasonable attorney's fees and costs incurred under 15 U.S.C. § 1117(a).

CONCLUSION

For these reasons, Plaintiff, Sport Shots, LLC, asks that after trial in this matter judgment be rendered against Respondents for injunctive relief, monetary damages, reasonable attorney's fees, costs and all other relief the Court deems Plaintiff entitled.

Respectfully submitted,
