DECLARATION OF DYLAN PARKS IN SUPPORT OF PLAINTIFF'S *EX PARTE* APPLICATION FOR ENTRY OF TEMPORARY RESTRAINING ORDER, PRELIMINARY INJUNCTION, AND ORDER RESTRAINING TRANSFER OF ASSETS

I, Dylan Parks, declare and say:

1. I am over 18 years of age, and the facts stated herein are true and correct based upon my personal knowledge.
2. I make this Declaration in support of Plaintiff's *Ex Parte* Application for Entry of Temporary Restraining Order, Preliminary Injunction, and Order Restraining Transfer of Assets (the "Application for TRO").
3. If called upon to do so, I could and would competently testify to the following facts set forth below.

BACKGROUND ON SPORT SHOTS, LLC

4. I am an Owner of WRK Holdings, which owns Sport Shots, LLC. Other Owners are Tempo Creative LLC, Glazey Media LLC, Ahimsa Holdings LLC, Jordan Rhodes, and Brad Ploch.

5. Sport Shots is a Wisconsin Limited Liability Company with its principal place of business at 2131 E Birch Dr., Oak Creek, WI 53154.

6. About ten years ago, a friend and I designed a golf ball-shaped shot glass, Patent No. D1097815. We then formed Sport Shots, LLC (“Sport Shots”) to market and sell them as Golf Shots®, the Trademark Certificate of Registration, which I have attached hereto as Exhibit 1.

7. Sport Shots sells Golf Shots® on its website at <https://drinkshots.com/> and its Amazon store, Amazon.com Seller Profile: Sport Shots, LLC. Like our e-commerce store with Amazon, the Defendants are in complete control of their internet e-commerce stores, and Defendants can change ownership or e-commerce store data and content, redirect consumer traffic, change payment accounts, and transfer assets and ownership of the Seller IDs at a moment’s notice. Defendants can easily and quickly transfer and secrete the funds sought to be restrained and thereby thwart the Court’s ability to grant meaningful relief.

8. Each ball holds 1.5oz with a sealable screw-on cap and comes in three packs of either white or pink. Sport Shots markets them as the perfect gift for golfers and as a fun way to liven up golf outings, parties, and home bars.

9. In addition, Sport Shots uses photographs to market Golf Shots® that are copyright protected, a summary of which I have attached hereto as Exhibit 1.

10. Sport Shots offers for sale and sells its products within the state of Texas, including this district, and throughout the United States.

11. Like many other intellectual property rights owners, the success of Sport Shots’ products has resulted in ongoing counterfeiting and infringement by individuals and entities

unlawfully using the trademarks, copyrights, and goodwill built by Sport Shots to sell cheap imitation counterfeits of Sport Shots' products.

12. Sport Shots is harmed, the consuming public is duped and confused, and the Defendants earn substantial profits in connection with the infringing conduct.

13. In order to combat the harm caused by the combined actions of Defendants and others engaging in similar infringing conduct, Sport Shots expends significant resources in connection with its intellectual property enforcement efforts, including legal fees and investigative fees.

14. The recent explosion of infringement over the Internet has created an environment that requires companies like Sport Shots to expend significant time and money across a wide spectrum of efforts in order to protect both consumers and itself from the ill effects of infringement of Sport Shots' intellectual property rights, including consumer confusion and the erosion of Plaintiff's brand.

SPORT SHOTS TRADEMARK RIGHTS

15. Sport Shots is the owner of all rights in and to Golf Shots, U.S. Reg. No. 7,577,461 in International Class 21 registered on November 26, 2024, and shown in Exhibit 1 hereto and to the Exhibit 3 in the Complaint in this action, which is valid and registered on the Principal Register of the United States Patent and Trademark Office (the "Golf Shots Mark").

16. The Golf Shots Mark consists of the wording Golf Shots in standard characters without claim to any particular font style, size, or color. Ex. 1. On January 20, 2017, Golf Shots began using and also placed into the stream of commerce the Golf Shots Mark. Ex. 1.

17. The Sport Shots Mark is used in connection with the manufacture and distribution of Plaintiff's high-quality, original and patented goods.

18. The Sport Shots Mark is exclusive to Sport Shots and is visible on the packaging. The registered symbol is on Sport Shots' website and invoices when the authentic product is purchased.

19. The Sport Shots Mark has been used in interstate commerce to identify and distinguish Sport Shots' high-quality, original, and patented Golf Shots for nearly a decade.

20. The Sport Shots Mark is a symbol of Sport Shots' quality goods, reputation, and goodwill, and has never been abandoned.

21. Sport Shots sells its Golf Shots via authorized distributors and retailers on the world wide web, where it promotes and sells genuine products with the Sport Shots Mark to consumers.

22. Online sales of products with the Sport Shots Mark via the web represent a significant portion of Sport Shots' business related to the Golf Shots.

23. Sport Shots' products have been extensively promoted and advertised at great expense to Sport Shots.

24. The Sport Shots Mark is distinctive when applied to Sport Shots' product, signifying to the purchaser that the product comes from Sport Shots and are manufactured to our quality standards.

25. Whether Sport Shots manufactures the products itself or licenses others to do so, it has ensured that products bearing or sold under its trademark is manufactured to the highest quality standards.

26. The goodwill associated with the Sport Shots Mark is of incalculable and inestimable value.

27. Sport Shots has expended substantial time, money, and other resources developing, advertising, and otherwise promoting the Sport Shots Mark in the United States in connection with Sport Shots' goods. Sport Shots' average marketing and promotional investments are between \$30,000 - \$40,000 per month.

28. Sport Shots has extensively used, advertised, and promoted the Sport Shots Mark in the United States in association with the sale of high-quality goods.

29. Sport Shots has spent substantial resources promoting the Sport Shots Mark and products bearing or sold under those marks.

30. Annual lost profits from counterfeit products are estimated to be \$1,363,837.20.

31. As a result of Sport Shots' efforts, members of the consuming public readily identify photographs and merchandise bearing or sold under the Sport Shots Mark as being high-quality, original, and patented Sport Shots products sponsored and approved by Plaintiff.

32. Plaintiff has carefully monitored and policed the use of the Sport Shots Mark.

33. Genuine goods bearing or sold under the Sport Shots Mark are widely legitimately advertised and promoted by Sport Shots on its website and Amazon as an authorized seller.

34. Visibility on the Internet, particularly via Internet search engines such as Google, Yahoo!, and Bing, has become increasingly important to Plaintiff's overall marketing and consumer education efforts.

35. Thus, Plaintiff expends significant monetary resources on Internet marketing and consumer education, including search engine optimization ("SEO") strategies.

36. Plaintiff's SEO strategies allow Plaintiff and its authorized retailers to fairly and legitimately educate consumers about the value associated with Plaintiff's products and the goods marked with the Sport Shots Mark.

44. Sport Shots marked the Golf Shots Rights on its packaging.

45. The Sport Shots Rights are used in connection with the advertising and sale of Sport Shots' high-quality, original, and patented goods.

46. As with the Sport Shots Mark, the Sport Shots Rights are exclusive to Sport Shots and are visible on the packaging, website, and invoices when the authentic product is purchased.

47. In addition, the Sport Shots Rights have been used in interstate commerce to identify and distinguish Sport Shots' high-quality, original, and patented Golf Shots for over a year. The Sport Shots Rights are symbols of Sport Shots' quality packaging, goods, reputation, and goodwill, and have never been abandoned.

48. Sport Shots used the Sport Shots Rights to market and sell its Golf Shots via authorized distributors and retailers on the world wide web, where it promotes and sells genuine products.

49. Online sales of products with the Sport Shots Rights via the web represent a significant portion of Sport Shots' business related to the Golf Shots.

50. Sport Shots' products have been extensively promoted and advertised through the Sport Shots Rights at great expense to Sport Shots.

51. The Sport Shots Rights are distinctive when applied to Sport Shots' product, signifying to the purchaser that the product comes from Sport Shots and are manufactured to our quality standards.

52. Whether Sport Shots manufactures the products itself or licenses others to do so, it has ensured that products bearing or sold under its trademark are advertised and marketed using the Golf Shots Rights to reinforce the consumer's belief that it is purchasing genuine Sport Shots products manufactured to Golf Shots' quality standards.

53. The goodwill associated with the Sport Shots Rights is of incalculable and inestimable value.

54. Sport Shots has expended substantial time, money, and other resources developing, registering, and displaying the Sport Shots Rights in the United States in connection with Sport Shots' goods. Sport Shots' average marketing and promotional investments are between \$30,000 - \$40,000 per month.

55. Sport Shots has exclusively used, advertised, and promoted the Sport Shots Rights in the United States in association with the sale of high-quality goods.

56. Sport Shots has spent substantial resources promoting Golf Shots through the Sport Shots Rights.

57. As with the Sport Shots Marks, annual lost profits from counterfeit products using the Sport Shots Rights are estimated to be \$1,363,837.20.

58. As a result of Sport Shots' efforts, members of the consuming public readily identify the photographs subject to the Sport Shots Rights and merchandise bearing or sold under the Sport Shots Mark as being high-quality, original, and patented Sport Shots products sponsored and approved by Plaintiff.

59. Plaintiff has carefully monitored and policed the use of the Sport Shots Rights.

60. Sport Shots uses the Sport Shots Rights to legitimately advertise and promote Golf Shots on its website and Amazon as an authorized seller.

61. Again, visibility on the Internet, particularly via Internet search engines such as Google, Yahoo!, and Bing, has become increasingly important to Plaintiff's overall marketing and consumer education efforts.

62. Again, Plaintiff expends significant monetary resources on Internet marketing and consumer education, including search engine optimization ("SEO") strategies.

63. Once more, Plaintiff's SEO strategies allow Plaintiff and its authorized retailers to fairly and legitimately educate consumers about the value associated with Plaintiff's products and the goods depicted by the Sport Shots Rights.

DEFENDANT'S COUNTERFEITING AND INFRINGING ACTIVITIES

64. Sport Shots has an anti-counterfeiting program and regularly investigates suspicious websites and online marketplace listings identified in proactive Internet sweeps and reported by consumers.

65. Sport Shots investigated the promotion and sale of counterfeit and infringing products by Defendants to obtain payment account information for funds paid to Defendants for the sale of counterfeit products. Ex.'s 2-4.

66. These investigations have established that Defendants are using the various webstores on platforms such as Alibaba.com, AliExpress.com, eBay, Fruugo, Shein, Temu, Walmart.com, and others to sell Counterfeit Products from foreign countries such as China to consumers in the United States. Ex. 2-4.

67. Prior to signing this declaration, I or someone under my supervision accessed Defendants' Internet-based e-commerce stores operating under their respective seller identification names through Alibaba.com, AliExpress.com, eBay, Fruugo, Shein, Temu, Walmart.com, and others. Complaint at Ex. 1; Ex.'s 2, 4 hereto (the "Seller IDs").

68. The Seller IDs and associated payment accounts are a substantial part of the means by which Defendants further their scheme and cause harm to Sport Shots.

69. Upon accessing each of the e-commerce stores, I or someone under my supervision was able to view counterfeit products using the Sport Shots Mark and Sport Shots

Rights (collectively “Sport Shots Mark and Rights”), add products to the online shopping cart, proceed to a point of checkout, and otherwise actively exchange data with each e-commerce store. Exhibits 2, 4.

70. I or someone under my supervision captured detailed web pages for each Defendant reflecting each counterfeit or infringing product bearing counterfeits and infringements of Sport Shots Mark and Rights. True and correct copies of the web pages captured and downloaded showing the counterfeit products are attached hereto as Composite Exhibit C.

71. The Sport Shots Mark and Rights have been used by Sport Shots long prior in time to Defendants’ use of copies of those intellectual property rights.

72. The Sport Shots Mark and Rights have never been assigned or licensed to any of the Defendants.

73. Defendants’ individual seller stores using Sport Shots Mark and Rights are indexed on search engines and compete directly with Plaintiff for space in search results.

74. The appearance of Defendants’ individual seller stores in search engine results undermines Sport Shots’ efforts to educate consumers about the value of products sold with or under the Sport Shots Mark and Rights.

75. I, or someone under my supervision, personally analyzed each of the captured web pages and determined that Counterfeit Products were being offered for sale to residents of the United States. I, or someone under my supervision, further reviewed and visually inspected the detailed web page captures and photographs reflecting the Plaintiff-branded products and determined the products were not genuine versions of Plaintiff's goods. True and correct copies of the web pages captured and downloaded showing the counterfeit products. Ex. 3.

76. These web pages show Defendants copied one or more of the Sport Shots Marks and Rights and offer Defendants' Goods for sale under similar or identical marks indistinguishable to consumers, both at the point of sale and post-sale. Ex. 3.

77. I, or someone under my supervision, reached this conclusion through visual inspection of the products as they appeared on the Infringing Websites, the price at which the Counterfeit Products were offered for sale, other features commonly associated with websites selling counterfeit products, because Defendants offered shipping to the U.S., and because Defendants and the Infringing Websites do not conduct business with Sport Shots and do not have the right or authority to use the Sport Shots Mark and Rights for any reason.

78. Defendants created a false association between their counterfeit and infringing goods, their e-commerce stores, and Plaintiff, and this false association causes Plaintiff irreparable harm and damage. Defendants' use of the Golf Shots Mark and Rights to market their counterfeit golf ball looking containers creates a false association between Sport Shots and the infringing party.

79. Despite Defendants' lack of authority, they are promoting, advertising, distributing, selling and/or offering for sale, through their respective Seller IDs, goods bearing counterfeit and infringing copies of one or more of the Sport Shots Marks and Rights without authorization ("Defendants' Goods") within the state of Texas, including this district and throughout the United States.

80. Each sale made by the Defendants through a webstore results in a direct loss to Sport Shots.

81. I, or someone under my supervision, also placed certain test orders for products from certain Defendants via their e-commerce stores operating under the Seller IDs for the purchase of products bearing or using counterfeits and infringements of the Sport Shots Mark and Rights. Ex. 2-4.

82. The orders were processed entirely online. Following the submission of the orders, I, or someone under my supervision, received information to finalize payment for each of the products ordered via a payment processor on Alibaba.com, AliExpress.com, eBay, Fruugo, Shein, Temu, Walmart.com, and others. Ex.'s 2, 4. After making each payment, the products were received in Texas. Ex. 4. I, or someone under my supervision, examined the products and determined that the products were counterfeit products that were not authorized by Sport Shots.

DEFENDANTS' COUNTERFEITING AND INFRINGING ACTIVITIES CAUSE IRREPARABLE HARM TO PLAINTIFF IN THE FORM OF PRICE EROSION, DAMAGE TO REPUTATION, AND LOSS OF GOOD WILL THAT ARE NOT COMPENSABLE BY DAMAGES ALONE.

83. As the illegal marketplace for Sport Shots's products grows on the Internet, the legitimate marketplace for authentic Sport Shots's products shrinks.

84. Monetary damages cannot adequately compensate Sport Shots for ongoing infringement because monetary damages fail to address the loss of control and damage to Sport Shots' reputation and goodwill.

85. Furthermore, monetary damages are difficult, if not impossible, to ascertain due to the inability to calculate measurable damage in dollars and cents caused to our reputation and goodwill by acts of infringement.

86. Sport Shots' goodwill and reputation are irreparably damaged when the Sport Shots Mark is used on goods not authorized, produced, or manufactured by Plaintiff, and photographs under the Sport Shots Rights are used to advertise and sell counterfeit products.

87. Moreover, brand confidence is damaged, which can result in loss of future sales and market share.

88. The extent of harm to Sport Shots' reputation and goodwill, and the possible diversion of customers due to loss in brand confidence, are largely unquantifiable.

89. Sport Shots is further irreparably harmed by the unauthorized use of the Sport Shots Mark and Rights because counterfeiters take away our ability to control the nature and quality of Counterfeit Products.

90. Loss of quality control over goods bearing or sold under the Sport Shots Mark and Rights and, in turn, loss of control over our reputation, is neither calculable nor precisely compensable.

91. The sales of counterfeit and infringing products bearing or sold under the Sport Shots Mark and Rights are likely causing and will continue to cause consumer confusion that weakens the Sport Shots Mark and Rights brand recognition and reputation.

92. Consumers who mistakenly believe that the Counterfeit Products he or she has purchased originated from Sport Shots will come to believe that Plaintiff offers low quality products.

93. Inferior quality products will result in increased skepticism and hesitance in consumers presented with genuine Sport Shots products, resulting in a loss or undermining of Plaintiff's reputation and goodwill.

94. Indeed, there is damage to our reputation and goodwill even if a consumer knows that the goods he or she is purchasing are counterfeit, because prospective consumers who see inferior Counterfeit Products marketed through misappropriated Sport Shots Rights used by others may mistakenly believe such goods to be genuine and may consequently develop a poor impression of Sport Shots' products. Such post-sale confusion results in further damage to Sport Shots' reputation and correlates to a loss of unquantifiable future sales.

95. Sport Shots is further irreparably damaged due to a loss of exclusivity. Sport Shots' extensive marketing and innovative designs are aimed at growing and sustaining sales. The Sport Shots Mark and Rights are distinctive and signify to consumers that the products exclusively originate from Sport Shots. When counterfeiters use the Sport Shots Mark and Rights on and to sell goods without authorization, the exclusivity of the Sport Shots' products, as well as Sport Shots' reputation, are damaged and eroded, resulting in a loss of unquantifiable future sales.

96. Sport Shots will suffer immediate and irreparable injury, loss, or damage if counterfeiters are allowed to continue to infringe upon the Sport Shots Mark and Rights.

97. Defendants have sold their infringing products in competition directly with Plaintiff's genuine products. Defendants falsely represent that their counterfeit and infringing goods are genuine, authentic, endorsed, and authorized by Plaintiff. Ex.'s 2, 4. Defendants' internet activities infringe on Plaintiff's intellectual property rights. The Seller IDs and associated payment accounts are a substantial part of the means by which Defendants further their scheme and cause harm to Plaintiff.

98. Plaintiff should not have any competition from Defendants because Plaintiff never authorized Defendants to use the Sport Shots Mark and Rights.

99. Plaintiff has suffered price erosion as a result of Defendants' infringement.

100. Defendants sell their products that infringe Plaintiff's intellectual property rights for much less than Plaintiff does.

101. Plaintiff has continued to have difficulty selling its authentic products online because of the price pressure asserted by the Defendants' sale of counterfeit and infringing products.

102. Plaintiff has suffered extreme pressure for further price erosion.

103. With the limited sales data made available by Alibaba.com, AliExpress.com, eBay, Fruugo, Shein, Temu, Walmart.com, Plaintiff was still able to determine that in the last year, more than 20,515 counterfeit products were sold using the Sport Shots Mark and Rights. It is estimated that the approximate lost profits per year for Sport Shots is \$1,363,837.20 (USD).

I declare under perjury under the laws of the United States of America that the foregoing is true and correct.
