COMPANY OVERVIEW

Talee Global, LLC is a nationally recognized SBA-certified woman-owned and minority-owned consulting firm delivering solutions in leadership development, organizational change & transformation, workforce well-being, and innovation strategy.

Our team of psychologists, strategists, and trainers partners with government agencies, healthcare systems, and Fortune 500 corporations to provide strategic planning, leadership pipelines, customized training, executive coaching, cultural assessments, and resilience programs.

By translating psychological science into measurable results, Talee Global helps clients strengthen leadership, build resilient cultures, improve workforce performance, and achieve lasting impact.

Talee Global is the consulting firm of choice for organizations seeking evidence-based, people-centered, results-driven transformation.

PAST PERFORMANCE (SELECTED)
