SHAWNA ALMS

She has been with the company for over 2 years and has very rarely missed a shift! She's always putting her clients first. She is always so loving and caring to her clients. She is known to go visit them on her own time, or see them in the hospital when some have been admitted. She has a genuine heart of gold and each and every one of her clients would say the same. One of them quoted, "You could travel a million miles and never find another Shawna."
