KATHY BURESH

Kathy, is an amazing caregiver who spends most of her time with a younger client. She cares for her client as she would a family member and gets creative with ways to help! Clients have said she makes an excellent breakfast and was able to assist with achieving the ability to walk again, which has resulted in a, “catch me if you can” game, that is played during her visits! She even helps with virtual learning!! This family always speaks the most wonderful compliments and considers her family. “I am so happy to have Kathy on our team! Her compassion for dignity and well-being is truly inspiring”.
