

## THE IRIS PROJECT March/April 2025 at Shore

From now until the garden beds in front of Shore Center are bursting with waving Irises, the Fibercraft Exchange will be donating materials and tools to create an

### Iris Celebration in Fiber.

Learning circles will be offered in collaboration with other Shore creatives as interest arises.

Joanna Ettore, of Balancing Point Creative Studio, will guide skill building learning circles for children with parents to sample loom knitting and tapestry crochet.

### In March, 2025:

See examples of the tapestry crochet technique for garden mandalas during business hours at

The Vendor Exhibitor Mall, Rm 33

And Saturday afternoons 12-3, outside the Sew4Service fabric stash store, Room 104

We'll be heading outside the building to work as soon as the weather allows, to cheer on the spring flowers that are bubbling just under the soil as we prepare for Spring.
