What Makes It Valuable?

An experience will transform your speaking journey from aspiration to sustainable business reality.

Your Desired Outcome?

Envision what success looks like for you at the end of this five-month collaborative journey.

What Makes LUV Her Different

Not Just Speakers

We cultivate women who master the four pillars: message, mission, marketing, and monetization. This isn't about chasing stages—it's about commanding them with purpose.

"Speaking is not a hobby—it is a calling, a craft, and a business."

Community Over Competition

This is a collaborative space where women complete one another. We rise together, share opportunities, and build authentic connections that extend beyond the summit.

Your Journey: A CAB Ride Lift Style

Curious Speaker

Curious about speaking but unsure where to start or how to position yourself.

Aspiring Speaker

Developing your message and beginning to understand the business of speaking.

Business Speaker

Confidently monetizing your voice with clarity on how speaking fits your brand and income.

Over five months, you'll gain guided progression from clarity to confidence to credibility, with a clear understanding of how speaking integrates into your brand, offer, and income strategy.
