RE: Petition to intervene in Case Number 09-0770-E-CN

Dear Ms. [REDACTED]

I am petitioning for leave to intervene in Case Number 09-0770-E-CN , currently pending before the Commission, and become a party to the proceedings. I do not have counsel and will be representing myself in this matter.

The grounds for my intervention are as follows:

My farm is within 1,000 of the proposed transmission line. I know my property value will plummet and the organic beef cattle business my husband and I started will be for naught as no one will purchase animals raised under lines that emit EMFs. The community as a whole will suffer since much income is derived from day trippers/vacationers seeking the beauty of Jefferson County and the Blue Ridge mountains.

The desired relief I am seeking is to deny the application for a Certificate of Convenience and Necessity file by PATH West Virginia Transmission Company, LLC; PATH Allegheny Commission Company, LLC; PATH-WV Land Acquisition Company; and PATH -Allegheny Land Acquisition Company.

Sincerely,

[REDACTED]
