

Price List – End of Life Services

Initial Consultation

Free

No obligation consultation. Provided either via video (Zoom), phone or in person.

We will meet the person who is nearing the end of life, their care team, family, and anyone else integral to this process. Assess if we can fulfill your needs. You decide if you like us. We move into a space of collaboration and teamwork.

Documentation Completion

\$35 / hour

Facilitate discussions regarding end-of-life care, decisions and support including the completion of legal documentation.

End of Life Support - Before, During and After Death

\$75 / hour (business hours)

\$85 / hour (after hours)

\$90 / hour (weekend / Pub Hol)

- Daily visits to do what is needed or wanted.
- Visits - minimum 60 minutes per visit.

Overnight Vigil

\$90 / hour (after hours)

- Staying close towards the end.
- A secure setting with a clean bed and bedding or a recliner to be located near or in the client's room.
- Access to bathroom and basic kitchen facilities.

Family Relief Package

\$280

- A four hourly visit so family can function, have a meal together, spend time with children, rest, go shopping, just be. This item needs to be arranged in advance.

Virtual Support Package

\$150

A Virtual Doula provides knowledge and emotional support during death, via phone, text, video call, and email.

Your Virtual Doula is invaluable for families on tighter budgets, those living in rural areas who find it difficult to get an in-person doula, and families who do not want someone present at the time of death but need informational and emotional support during the dying process.

24/7 access to doula via phone, text, video call and email from the commencement of end of the end of life until death.
