Dear Honored Veteran,

May we wish you a very Happy Holiday Season and the Happiest and Healthiest New Year for 2022.

This year we are continuing our tradition of Pick-a-Vet during the holiday season. Due to the ongoing pandemic to keep everyone safe we will not be visiting people at home. In Lieu of that on behalf of the ALA. A donation has been made in your honor to the American Vet Dogs.

A program "created to provide enhanced mobility and renewed independence to veterans, active-duty service members, and first responders with disabilities, allowing them to once again live with pride and self-reliance".

What a better way to help, support and enhance our mission here on City Island than to make this donation to honor our beloved Veterans.

Thank you for your service and thank you for being a member of the Leonard H. Hawkins Post # 156.

Sincerely,

American Legion Auxiliary
