# Party Safety Tips

- Always share your location with someone you trust and tell them who you will be with.
- Don't drink alcohol excessively and stay hydrated.
- Never leave your drinks unattended or take drinks from strangers.
- Prevent an overdose: Check for fentanyl in drugs with fentanyl test strips and carry naloxone (NARCAN®).
- Get and give consent for any sexual interactions. Use protection to prevent the spread of STIs.
- Be a good bystander: Intervene if you witness harassment.
- Charge your phone. Carry a charger.
- Have a travel plan to get home safe.
- Never leave with a stranger without telling someone you know.
- Always be aware of your surroundings. Know your exits in case of an emergency.
- Check license plates on your for-hire vehicle before you get in.
- Have fun! Good times are good for your health.
