

March 29, 2024

Dear Friends and Neighbors,

I hope this letter finds you well. As proud members of the City Island community, we are excited to announce the upcoming 3rd Annual Sons of the American Legion Golf Outing. This year holds special significance as it coincides with the 80th anniversary of D-Day, a pivotal moment in history that reminds us of the sacrifices made by brave men and women in service of our nation.

The event, scheduled for Thursday, June 6th, 2024, will be a day filled with camaraderie, friendly competition, and most importantly, honoring the valiant individuals who have served in all six branches of the United States military. In the past, our community's generosity and support have been instrumental in making this event a success. Together, in the past two years, we have raised nearly \$4000, benefiting organizations such as the Coast Guard Foundation and Comfort Warriors.

For this year's event, we aim to continue our tradition of giving back by splitting proceeds among charities associated with each branch of the military. This means that your contribution will directly impact veterans and their families across various branches, providing them with essential support and resources.

We invite you to join us in making a difference by becoming a hole sponsor, gift card sponsor, or by donating to support our cause. Your generosity will not only help us honor the brave individuals who have served our country but also demonstrate our unwavering support for those who continue to safeguard our freedoms.

Your support means the world to us, and we are immensely grateful for any contribution you can provide. Together, let's make this year's Golf Outing a memorable and impactful event.

Thank you for your consideration, and we look forward to your support.

Warm regards,

Peter Chadwick
SAL 156 Commander
