

KOHS SPRING INTO SUMMER HORSE SHOW

SPONSORSHIP INFORMATION

SIS CHARITY:

St Jude Children's Research Hospital

A portion of every Classic's entry fee will go to St. Jude's Children's Research Hospital. This charity not only offers help and support to those with children who have cancer, but also leads the way in research for cancer. KOHS SIS show continues to offer a great local schooling horse show atmosphere while encouraging philanthropic works of our Hunter - Jumper community.

The mission of St. Jude Children's Research Hospital is to advance cures, and means of prevention, for pediatric catastrophic diseases through research and treatment. No child is denied treatment based on

race, religion or a family's ability to pay. St. Jude specializes in care for some of the toughest pediatric cases, all while investing in resources and technologies for cutting-edge scientific research. And families never receive a bill from St. Jude for treatment, travel, housing or food — so they can focus on helping their child live.

For more information, find their website at www.stjude.org.

Thank you for your support!
