

KOHS SPRING INTO SUMMER HORSE SHOW

SPONSORSHIP INFORMATION

SIS CHARITY:

Northshore Humane Society

A portion of every Classic's entry fee will go to Northshore Humane Society. As animal lovers, we can all support NHS. But this year, we are thinking of my dog Finn, who never met a stranger and was at the shows waiting for a pet from all of you. In his memory, we will support shelters just like the one I adopted him from. KOHS SIS show continues to offer a great local schooling horse show

atmosphere while encouraging philanthropic works of our Hunter-Jumper community.

Northshore Humane Society is a non-profit, no-kill animal rescue and community veterinary clinic based in Covington, LA. As an

independent, non-governmental charity, we receive no tax funding and rely entirely on the support of compassionate people like you to power our life-saving work.

They also offer life-

enrichment programs like summer camps, Canine Cabbies, and our Shelter to Service Dog Program, all

designed to promote animal wellbeing while making a meaningful impact in our community.

Thank you for your support!
