

**SALT-AWAY CONCENTRATE REFILL (WITHOUT MIXING UNIT)**  
**PART NUMBER: SA128 • 128 FL OZ (3.79 L)**

- After purchasing and using the KIT, purchasing a U.S. GALLON (3.79 L) container of Salt-Away Refill Concentrate is a recommended choice, depending on frequency of use, area to cover, and economic considerations.
- A customer may want to start using Salt-Away by purchasing a U.S. GALLON (3.79 L) of Refill Concentrate and a Mixing Unit, Part Number: SAM. (SAMI for International customers.)
- Mixing Units can be ordered independently of the Kits. Ask your favorite store to inquire about this option.
