

**2018 Colorado River Women's Council
Grant Assistance for Teachers and Educators
(G.A.T.E)**

Colorado River Women's Council is proud to continue support to help the children in our community.

As an educator have you ever wanted something for your class that you couldn't afford? Have you ever had a special project that you wanted to do but didn't have the necessary materials? It's time to let your creativity be put to use and do a new project with your students.

Please complete and submit the attached G.A.T.E. application by December 21, 2018.

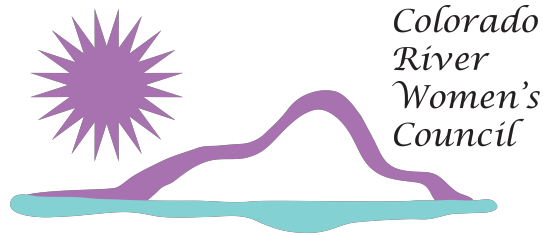

The awards will be presented the first part of January.

There will be two (2) \$500 grants and ten (10) \$350 grants awarded. All educational professionals from Pre-K to 12th grade teaching at a school in the Tri-State community are eligible to apply.

Grants may be used to purchase materials, equipment or supplies for that special project. Money may not be used for any type of travel expenses. The one thing we ask is that you spend the money locally if at all possible for your projects.

If you have any questions about the G.A.T.E. award please contact: Barb Zarzycki at CRWCGATE@gmail.com or 928-758-1327.

Best of luck to all applicants!

Teacher Name: _____

Grade: _____

School: _____

E-mail: _____

Daytime phone number: _____

Project title: _____

Project description: Please attach a typed description of the project and detail the materials needed. Give us a breakdown of the cost of the materials and where they will be purchased. Also please include if this is a project that can be used in the future with your students or if it is a one time thing.

We will be glad to offer you any help that you might need to help with your project, just ask us.
