About Colorado River Women's Council (CRWC)

Our Mission

The Colorado River Women's Council (CRWC) will provide a community leadership role through business, education, networking and service.

Our Purpose and Objectives

- To promote and support the business community
- To develop participation and opportunities for women in our community
- To promote civic and community projects
- To promote youth involvement and recognition
- To provide a forum for education, leadership, networking and communication in our community

The CRWC also contributes to the Boys and Girls Club, Shop with a Cop, Local Schools and Teachers, Quilts of Comfort, Milemarkers, Bullhead City Saint, CASA Council, Gary Keith Park, River Fund, Bullhead City Golden Rule, McKinney-Vento Homeless Act, Kiwanis, Rotary, Historic Society, Colorado River Concert Association and other worthwhile causes.

Membership

Membership is open to anyone in the community over the age of eighteen. Our meetings are held on the second Thursday of each month. Meetings usually feature a guest speaker(s) addressing our current topics or relevant issues. We love our community, so feel free to attend one of our many events.

What is CRWC – Corporate Partnership Opportunities?

Corporate Partnership Opportunities (CPO). The program started with the idea of how can we give back to the businesses that give to us? We began to “**Think Bigger**”. How can we help get the word out about who helps support our community? What can a non-profit give to a business? We already encourage our members to “Shop Local and Support Local”. Then like a light bulb coming to life with bright light, it hit us, a partnership. Let’s partner up with our businesses and support them like they support us. **Advertisement!** We have over 200 members, 12 luncheons, a 9-month leadership program, 3 signature events that include Boom Box Parade, Western Auction, Women Helping Women, and 5 annual programs of P.O.K.E., G.A.T.E., Scholarships, Bullhead City Golden Rule, McKinney Vento Christmas Party and so much more. It is through these widely recognized and highly attended events that our sponsors will see how proud we are to advertise for them with their company logos.

So, in conclusion, why should your business be a Corporate Sponsor?

1. You may get a tax deduction by giving to us. We are a 501(c)3.
2. Your business will receive advertising benefits for a year.
3. Pride in knowing you are giving back to our community.

Annual Events

Signature Events

Boom Box Parade Event:

This year's parade is extra special as it is the **25th anniversary** of The Spirit of Giving. The parade is held the first Friday of December. The parade route is along Hancock from River Gardens to Trane. It benefits the entire community and provides an opportunity for everyone to come together and focus on "giving", while celebrating the wonders of the season.

Women Helping Women Event:

This event was established to help women prepare for a new beginning in their life after falling victim to domestic violence or similar tragedy. Volunteers provide a day of pampering and self-esteem building for female residents of the local safe houses. Guest speakers encourage and motivate participants to give them hope for their futures. The women receive clothing, makeovers, help in writing a resume, and interviewing tips- all in preparation to assist them in re-entering the work force. This successful program has nurtured positive results in many hopeless women's lives. Women Helping Women program also supports the many needs in the community all year long.

Western Auction Event:

This event is our largest and most important fundraiser of the year. The Western Auction is a fun filled, western themed event that auctions donated items to raise money that funds our projects throughout the year.

Monthly Meeting Luncheon Event:

Our meetings are held on the second Thursday of each month. The purpose of the monthly meetings is to communicate information and to vote on issues brought to members by the Board of Directors. Membership input shall be allowed as a designated agenda item. Meetings usually feature a guest speaker(s) addressing our current topics or relevant issues. Members must RSVP in advance to attend the meetings. Lunch is \$15.00* including three tickets to the 50/50 raffle. *Cancellations must be made 48 hours prior to a meeting to avoid the \$15 fee.

Annual Programs

Signature Programs

Leadership Program:

The mission of the Leadership Program is to promote community leadership by developing knowledgeable, skilled leaders who are committed to building bridges of understanding across diverse segments of our community. The nine-month program consists of an integrated series of sessions, designed to build leadership skills and awareness of issues affecting our community. Participants learn how the Colorado River community governments and agencies operate, who makes them work and why. The program offers many perspectives on issues of critical concern. The process takes place through a series of panel discussions, group discussions, tours, and dialog among class members with area leaders. Together, the class votes on and completes a class project benefitting the community. This program is open to anyone over eighteen and applications are available by contacting Colorado River Women's Council.

Protect Our Kids Environment - P.O.K.E Program:

The CRWC is committed to the safety of school-age children enrolled in schools within the Tri-State area of the Colorado River. Our mission is to assist school districts in improving and funding established safety protocols with supplies and/or equipment to increase safety in schools and to enable the schools to be better prepared for any disaster, natural or otherwise. Additionally, working with local school districts to find ways to help with the mental stress in the schools in the younger ages which include anger and depression in ways not seen before. Together, we can make a difference in the safety standard. Programs in the past include masks to Laughlin schools, first aid kits to Bullhead City schools and most recently fire hose door stoppers for the classrooms.

Scholarship Program:

Scholarships are available for youth and adults to aid in continuing their education. The CRWC gives out a minimum of \$5,000 each school year, provided funds are available.

Grant Assistance for Teachers and Educators – G.A.T.E Program:

As a teacher is there something you have wanted for your classroom you couldn't afford? Have you wanted to complete a project with your classroom but didn't have the materials? How creative can you become with a new project for your students? G.A.T.E. was developed to provide much needed materials for local classrooms. By continuing to enhance our children's educational experience and provide them with the opportunities that a better education offers. Last year G.A.T.E. awarded 5 grants to deserving pre-K to 12th grade teachers. These grants were used to purchase materials, equipment, and supplies for special projects. This program is open to Bullhead City, Fort Mohave, Mohave Valley and Laughlin schools.

The Bullhead City Golden Rule Program:

Our purpose is to engage our community in ways that increase our capacity to cooperate and take regular, unified action based on the fundamentally human qualities of character. On Sept 6, 2022, the Mayor and City Council unanimously proclaimed Bullhead City, AZ as a Golden Rule City urging all its citizens, businesses, public and private agencies, religious and educational institutions to operate under the principles of kindness, empathy, equality, respect, justice and civility. Naming ourselves a principal-based community is essential, but not enough. Our Colorado River Women's Council Committee is in place to further projects that translate these noble words into action.

Adulteen Program

This program is brand new! Our purpose is to equip local teens with essential life skills. Some of the areas are cooking, money and finance, interview prep, domestic skills, and community resources. We will provide hands on learning and training experiences along with scholarship opportunities that are designed to build stronger young adults.
