

# Colorado River Women's Council

## Small Business Relief

### About the Program

The Colorado River Women's Council will be purchasing gift cards from local businesses in a new relief program. Value of purchase at each business will be decided by the executive board for CRWC and will be based off application answers.

If your company does not currently offer gift cards, if you are selected for this program you would be required to create a gift card or gift certificate that can be purchased by us from your business. All gift cards/certificates purchased will be given out to those in need in our community.

All local businesses who are in need of assistance due to COVID-19 are encouraged to apply.
